Introduction

The remarkable ministry of William Branham was the response of the Holy Spirit to the prophecies of the Scriptures in Malachi 4:5,6, Luke 17:30, and Revelations 10:7. This worldwide ministry has been the culmination of many other Bible prophecies, and a continuation of the working of God by His Spirit at this End time. This ministry was spoken of in the Scriptures, to prepare the people for the Second Coming of Jesus Christ.

We pray that the printed Word will become written in your heart as you prayerfully read this message.

While every effort has been made to provide an accurate unabridged transcription, the English audio files are the best representation of the sermons spoken by Bro Branham.

Audio and transcribed versions of over 1,100 sermons preached by William Branham are available for free downloading and printing in many languages at:

Don't turn him away
 He has come back to your heart again
 Although you've gone astray
 Oh, how you'll need Him to plead your cause
 On that eternal day
 Don't turn the Savior away from your heart
 Don't turn him away

[Congregation continues singing—Ed.]

²⁰² Oh, how you'll need Him to say, "Well done." Won't you stand now and say, "I accept Christ." What about it, sister, do you believe He forgives your sins, standing there now? Everyone with your heads bowed...?...Accept Him, now. Jesus Christ, knocking at your heart. Won't you stand and say, "I now accept Christ as my personal Savior." Won't you stand for a word of prayer? What about it, young fellow out there? God bless you. God bless you. What about you, back there in the back that raised your hand, young lady? Won't you rise up now?

Oh, how you'll need Him to plead your cause
 On that eternal day
 Don't turn the Savior away from your heart
 Don't turn him away

²⁰³ While we sing that chorus again, I wonder if those who were standing would walk right down here, and let me shake their hand and pray with you. Right down here at the altar, won't you come? Won't the rest of you come? What about you that raised your hand back there? Won't you come down? Come down here. God bless you, husband and wife. Come down here just a minute. Walk up here. I want to shake your hand, brother and sister. Come with her brother... Won't you come?

Don't turn the Savior away from your heart
 Don't turn him away

²⁰⁴ Now, friend, think of it. Before morning, your soul may be pulled from your body like a tooth being extracted. Out through space yonder, into an endless eternity, it will go. At that great dreadful day of the Lord, who will plead your cause then? Won't you come? The least you could do on this resurrection day is to come, say, "Lord Jesus, I believe You." [Blank spot on tape—Ed.]

²⁰⁵ ...preach, and hear these other men preaching. God is here in confirmation, saying, "I put My seal of approval on It, that It's the Truth." It's His Gospel. You believe now with all your heart?

²⁰⁶ I wonder, while we're making the call, if there's a backslider in here, would say, "Brother Branham, remember me right now. Remember me. I'm raising up my hand. Remember me in prayer." Look, one of these days, you're going to face Jesus Christ.

¹ Good evening, friends. I'm very happy to be here tonight, to serve the Lord. This has been a glorious week for us, the last two weeks. Brother Neville just taken me back in the room and was talking to me, and said that there had been some over a hundred conversions that had come to the Lord, and almost fifty baptisms, that was baptized in water. That's worthwhile, isn't it? We are so happy for that.

² Happy to have strangers in our gates tonight, and pray that God will bless you exceedingly abundantly. And we want to thank everyone who has put an effort in this meeting, to do something for God's glory.

³ We want to thank our Brother Tom, and...Brother Tom Merrideth and Sister Merrideth, and little Merrideth here, both, all of them, for their singing and music, and we certainly welcome them back to the Branham Tabernacle at any time. All that feels that, say "Amen." Brother Merrideth, you know how we feel. We just met Brother Merrideth recently and he's become a very close friend.

⁴ Brother Neville for his...and Brother Merrideth both, for their gallant preaching and standing by, and all that they have done. Brother Neville, we are happy to have you as our pastor here of this church. We want you to know that our deepest of love is for you. And I've got confidence in Brother Neville. Chased his life back.

⁵ And you know the old saying, "Live me a sermon, better than preaching me one." Lot of truth to that. And so I am very happy that Brother Neville is here with us to take over the pastoral work of these sheep that's just been brought into the fold. The Lord Jesus bless our brother.

⁶ And for the deacons and the...oh, everyone. We just appreciate...we had Brother Kidd, I believe it is, and many of the other different ministers, and Brother Hoover. I don't know whether Brother Hoover is here tonight or not, but he's been with us, and was baptized this morning.

⁷ Brother Beeler, our old pal and chum along in the gospel, if you will excuse me for saying it that way, we're glad to have him, and his cooperation. He is taking down the records of the meetings and so forth, and he'll be living it all over and over for a long time, I guess. So we are very happy for everyone, for you that sang the specials, and everything. The Lord Jesus bless you, is my prayer.

⁸ Just a bit tired tonight. I haven't had much rest. Last night was a double sermon. Got in about, to bed about one o'clock, and up again this morning real early, and sunrise service, and then Sunday school. Then, stayed in the water almost two hours, baptizing. That water is cold, isn't it, friends? [Congregation says, "Amen."—Ed.] Oh, that is the coldest water I ever seen. Ever felt, rather. My, I never... I was so numb till I didn't know whether I was stepping up or down, getting out of there. So, I didn't even get thawed out.

⁹ When I got home, and the wife said, "Dinner's ready" and I just jumped in a big bathtub of hot water, and kind of warmed up a little, and put on my clothes, and went to a funeral service. And we had the funeral

service.

¹⁰ Just as we got back home, there was an emergency call from the hospital, so I had to turn and go back to the hospital. Didn't get any dinner, so just...Brother McFadden and a bunch of us was over, and had a little dinner just a while ago, and come back now for the evening service, the closing of the revival.

¹¹ We are sure happy for this privilege. Just a little bit hoarse, so you will bear with me. I said this morning, I'm going to speak tonight on The Signs Following The Believers.

¹² I didn't know, when I got in this morning, this evening rather, one of the trustees here at the church said, "Brother Bill, you remember tonight's communion night." Oh my, here we are again, now. So I went back down and I thought, "Lord, now what am I going to talk about?" I had a whole line of Scriptures here wrote out; I was going to refer to a whole lot of them, on signs following the believer. So I had to alter that, a little bit.

¹³ So now, maybe, so we have communion service, and we hope that you are with us in this great feast. What a beautiful time to take communion, right after the resurrection. And a beautiful time for the Holy Spirit to fall, too, right along in this same season now that the Holy Spirit's to fall.

¹⁴ So, tonight...I hope now, I didn't lose that ticket...Billy Graham Evangelistic Films is in Louisville, and will be showing Oiltown, USA, April the 20th at the Memorial Auditorium. I...he asked me tonight if I would announce that, one of Billy Graham's associates, would announce it in my church. He gave me his card. So I would like, if you could, to see that if it isn't an inconvenience for you. And I believe it will be nice.

¹⁵ We had this film recently, Mr. Texas, and many of you seen that. A very fine film indeed. And I have never seen either one of them, but I have heard so many comments on them. That's April the 20th at the Memorial Auditorium in Louisville.

¹⁶ And now, also, I believe there is going to be a revival going on this week, over at the auditorium, also. Some young evangelist is over there preaching. And if you're around and about, and can, I know they would appreciate it. I know how...I tell you, I wish I didn't have nothing to do, just from one revival to another. I like to get along in the fires and warm up, don't you? Good.

¹⁷ Brother Merredith, did you announce to the people where your broadcast come in and everything? Well, will you come here and do that right now? Brother Merredith will announce it [Brother Merredith speaks—Ed.] Thank you, Brother Tom. And is there anyone else got a revival that wants to announce it? Or, any special, any of the ministers? We are always happy to recognize our brethren and their services. The Lord bless you now.

¹⁸ And now...don't forget to stay with us if you can, immediately after this service, the speaking service, for the communion and foot washing.

company, were stricken yesterday in an accident, laying here in the hospital, dying right now, the girl is. I worked with her for seventeen years. Heart knocked plumb to the other side of her. One of the substation operators laying there, a pal of mine...I sat on a log in the woods many a day, and talked to him about the Lord Jesus. I want to see him in a little bit now, talk to him again just before going out of life, see if the Lord will tell us anything for him.

¹⁹⁷ I wonder those who, who raised their hands, as these sinners, and wanted to be remembered in a word of prayer...You've accepted Christ. I wonder if you believe now that you accept Jesus Christ...Be in prayer everywhere, every head bowed. If you accept Jesus Christ as your personal Savior, and believe that He saved you from sin right now, would you stand up to your feet as a witness? Any person that raised their hand, would say, "Lord, I know You promised me that whosoever believeth shall not be condemned. I now believe and accept You as my Savior." Would you stand? We're pressed a little bit for time and for space here...God bless, God bless you, remain standing, if you will, stand. Would somebody else stand? Somebody else stand right now? Just remain standing, if you will. Everyone with your heads bowed now, everywhere in the building, be in prayer.

¹⁹⁸ Lord, help now. Oh God, forgive sinners. You said that "He who comes to me, I will in no wise cast out." These who have now stood...God bless you, brother. Just remain standing. Someone else? Some of you that raised your hands, say, "God be merciful to me, a sinner, and save me for Christ's sake." He'll do it right there, right there. Philip said..."Here is water, what hinders us from being baptized?" Philip said, "If you believe with all your heart, you may."

¹⁹⁹ Will you want to accept Him right now as your personal Savior, and if you'll stand up and witness Him before man, He'll witness you before God and the holy angels. He's looking at you. You want to be a witness? Stand to your feet then if you're a sinner.

²⁰⁰ God bless you all. Someone else? A man and wife with their arms around each other, accepting Christ now as personal Savior. Somebody else? Would you stand to your feet quickly now, while the Holy Spirit is dealing here in the building? Say, "I want to now accept Christ as my Savior. I want you to pray for me." That's what I'm going to do, as you're standing with tears rolling down your cheeks, in the building. Will you stand? Watch. Everyone reverent, no one moving around. Be in prayer. Listen. The Holy Spirit's now dealing with the people.

²⁰¹ What made you raise your hand? You could not raise your hand unless God made you do that. Jesus said, "No man can come to me except the Father draws him." If you only knew, sinner friend, that the people I have talked to, that says, "I don't believe in God. I have no time for it. I once tried it. I...there's no...I never did even desire." And God has give you the desire tonight to become a Christian...don't turn Him away. All right. While you're making your decision...

Don't turn him away

generation, to all the people. I'll be with thee always, even to the end of the world."

¹⁸⁸ May the Holy Spirit soak these few words deep down into your soul. "You shall receive power after this, the Holy Spirit is come upon you, and then you shall be a witness to Me in Jerusalem, Judaea, and to the uttermost parts of the world."

¹⁸⁹ While we bow our heads... Sister, would you come to the organ? Let us bow our heads, just a moment, everywhere in prayer. Everyone just as reverent as you can be, now. Be in prayer. While the altar call is being made... the Holy Spirit is here each night, giving divine unction, a witness of the resurrection of Jesus Christ.

¹⁹⁰ Wonder tonight if you're here, and would like to become a witness of the Lord's resurrected power. You've never stayed until you was endued with power. Would you like to be remembered in a word of prayer? God bless you. God bless you. Hands up everywhere over the building. Oh my, that's wonderful. "Blessed are they that hunger and thirst for righteousness' sake, for they shall be filled."

¹⁹¹ Is there anyone in the building tonight that's never accepted Christ as personal Savior, would say, "Brother Branham, with my uplifted hand..." The altar's crowded full of people here now. "But I'm going to lift up my hand, and say, 'Pray for me, I'm a sinner. And I here want to now let God see my hand that I want to accept Him as my Savior.'"

¹⁹² God bless you, lady. God bless you, sir. God bless you, lady. God bless you. Someone over on the right, God bless you, sir. God bless you up there. That's fine. Some, here's another one right here, God bless you. That's just wonderful. "I want to become His witness."

¹⁹³ Another one who raised your hand, say, "Brother Branham, pray for me, I want to be remembered in a word of prayer." God bless you. I see you, lady there, with your hand up, too. I see you, young man over there on the end, I see you with your hand up. Hands are going up everywhere in this little audience tonight, the closing of the revival. How do we know... Here's another lady with her hands up, God bless you, sister.

¹⁹⁴ How do you know but what this will be the last revival the little Branham Tabernacle will ever have? I stood today there over the cold, icy form of a young woman in her twenties... took her out to the grave and buried her. Her little boys was setting there by the father, the little fellows walked up to the casket... Father said, "Come on, tell Mommy goodbye." They walked up there and waved their little hands to their dead mother laying there, "Goodbye, Mommy." Their little brown eyes covered with tears, and they hid their little faces in their hands.

¹⁹⁵ Oh, wouldn't it be sad if that mother was gone forever? But by God's grace, she was converted here at the Tabernacle. That night that she made that decision and walked forward, is the only thing that counts now. Last week, she was running all over town here, healthy and strong, intending to come to the meeting. Took sick and died, just in a little bit.

¹⁹⁶ Two friends of mine, both of them work for the public service

How many ever heard of foot washing? Well that... you're just at home here as a pocket is in a shirt now. We believe it because the Bible, we think, teaches it. So we wish you could stay over and be with us.

¹⁹ You remember the old-fashioned Baptist down in Kentucky, how we used to have dinner on the ground? And the old folks would get up and sing that like we did down at the forks at the creek. Remember? "Amazing grace, how sweet the sound." The brethren and all would get back under the shade trees there, and they go to washing feet and shouting. That was real Baptist. We didn't shake one another's hands like you Baptists do today; we beat one another on the back till we come through. We really had something.

²⁰ Ought to have some more of those Baptists, oughtn't we? That's right. And so I, we still observe it here, feet washing, and we'd like for you to be with us, if possible, tonight. So I'll try to quit just speaking because I'm just a little hoarse. So pray for me now.

²¹ And now I want to read some in the New Testament, in the 1st chapter of the Acts of the Apostles. I think this should be called the Acts of the Holy Spirit in the Apostles. It was the way the Holy Spirit made the apostles act after He came. Now in the 8th verse, we read this.

But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.

²² And now, just for a few moments, I want to use the subject of Witnesses.

²³ And now, shall we bow our heads just next for a moment of prayer, if you will? I wonder if our sister would give us a little chord of Abide with Me, or something on that order. Sister, if you will.

²⁴ Now, every person in here has a need, now. Will you just let it be known to God by your uplifted hand, just signify to God, "I have a need, Lord." I have mine up, you see. May He bless each one of you and give to you the desire of your heart. While every person in his own way now, just the way you pray in church, that's the way I want you to pray.

²⁵ Our Heavenly Father, we come to You at the close of another day. The beautiful sun that was rising this morning has now done set, gone down, dark clouds has covered the sky. We thank thee for the day and for the memories that we had of that great memorial day, when Jesus the Lord, arose from the dead.

²⁶ Truly as nature is, so will it be soon; the sunset of time is going down. It won't be long till it will all be dark. Many will be left here to go through that period of time. How the hunger and thirst for an old-fashioned revival just like has closed.

²⁷ God, I pray for that young woman out there in the hospital just now. In that accident, done bursted one of her lungs and tore her husband up. Mashed, crushed, her heart knocked over on the other side, totally

impossible with the doctors. Won't You be merciful just now?

²⁸ Remember, Lord, that Mr. Pritchard laying there, gasping, dying. Through the gasps of breath, while reaching through the oxygen tent, he received Christ as his personal Savior.

²⁹ Down in the funeral home today while kneeling there in the room, that poor old woman, eighty something years old said she'd never accepted Christ as personal Savior. And there in the funeral home at her granddaughter's funeral, accepted Christ as her personal Savior. God be with her.

³⁰ Bless all those here at the Tabernacle, Lord, this two weeks has come to You. Be with them. Bless those who were baptized this morning. May they grow in grace and the knowledge of the Lord until they become in the full stature of Jesus Christ. And someday be caught up together with Him in the clouds, to meet Him in the air and forever be with the Lord.

³¹ Bless all that's here tonight Lord. If there be any in here that has not as yet accepted Thee as their Savior, may this be the hour of their decision. May they come lovely, humbly, and accept Him as their personal Savior. Grant it Lord.

³² And now, as thy poor, unworthy, unprofitable servant...it seems to fall my lot to break the Bread of Life to Your people again tonight. Lord, I pray that You will help tonight. May the Holy Spirit, the third person of the Trinity, come, take the Word of God, and place it into every heart just as it has need of. Then may it be watered with faith, and bring forth abundance of fruit. Grant it Lord. We love You and we believe You and serve Thee. Now, receive our thanksgiving, for we ask it in the name of the Lord Jesus, thy beloved Son. Amen.

³³ We're beginning tonight in this little, short study of the Word of God, and while I do desire every believer to be in prayer, deep prayer for me now. There's no man can open this Word of God. We can pull back the pages, but to open it takes the Holy Spirit. Man cannot do that, that's not our ability.

³⁴ John saw the Bible laying in heaven and said there was no man in heaven, or on earth, or beneath the earth, worthy to even take the book, to open it, or to loose the seals. And then he seen a Lamb as it had been slain from the foundation of the world. He came and taken the Book out of the right hand of Him that sat upon the throne, opened the seals, loosed the book, and opened it up to the people. And may He come tonight and do likewise.

³⁵ Jesus here was appointing His apostles for a qualification of the Holy Spirit before they were to go be witnesses. And my subject tonight is, A Witness.

³⁶ Now, in court a witness has to know something. Just anybody can't come in and be a witness. It has got to be somebody who knows something. And that is the way it is when we are witnessing for the Lord. It takes somebody who knows something. So, Jesus said this, that before they could become His witnesses, they had to wait in Jerusalem until

and preach, I believe. I'm just getting feeling good. The mantle, a double portion. Jesus said, "The things that I do shall you also, and greater." More of it, a double portion.

¹⁸¹ "You're My witnesses, after you receive the double portion." Let's watch Him, keep your eyes on Him. The mantle is down; the mantle is here tonight. That same Holy Spirit that was upon Jesus Christ is in this church tonight to robe any believer that's in here with power from on High. Then you'll be His witnesses in Jerusalem, Judaea, Samaria, South Africa, Asia, wherever you go. "The same yesterday, today, and forever."

¹⁸² "Tarry ye." No wonder Philip could go down and preach. No wonder when they stoned the little fellow, Stephen, and he looked up into heaven, the clogs hitting him on both sides of the head, mashing his little brains out onto the ground, he looked up and said, "Behold, I see the heavens open and Jesus standing at the right hand of God." He was a witness.

¹⁸³ No wonder Paul, Saul, on his way down there, his eyes were blinded when a Light fell before him, and he said, "Who is it, Lord, that I persecuted?"

¹⁸⁴ Said, "Jesus." And He said, "Go down to the street called Straight." And He had a preacher down there, saw visions, by the name of Ananias. And Ananias saw a vision of Paul, and he went in and laid hands on him, and said, "Brother Saul, the Lord Jesus, who met you in the way, has sent me that I might lay my hands upon you, that you receive your sight and be filled with the Holy Ghost. For He showed me that you must be a great witness to Him." A witness, first what? "Receive your sight, and receive the Holy Ghost."

¹⁸⁵ The scales fell off his eyes. He rose and went down to the Damascus River, and was baptized. I imagine they had a time down there, don't you? There was Saul on the road going down, with orders in his pockets to arrest all that bunch of holy rollers. That's right. Breathing out threatenings. God knocked him off his high horse. He made him a witness of what those people had. Oh my, wonder if people tonight aren't riding this same high horse tonight. Should be knocked off and be a witness.

¹⁸⁶ I've watched of a morning, when the dew would fall from the heavens. You watch it; when the sun comes up, that little dew, watch it how it sparkles, just like a little star. What is it? It's a witness. It knows as soon as that sun rises to a certain place, like this, when it rises to a certain place, it's going up again. That moisture will go right up. Why? It's been up there once, and it just fell down. It's going up again. It's a witness of this sunlight, to pull it up. It's been somewhere; it knows what it's all about.

¹⁸⁷ And every a man or woman that is born of the Spirit of God is a witness of the resurrection of Jesus Christ. How God needs some witnesses tonight. "Go ye into all the world and witness Me in every

¹⁷³ Keep your eyes on Christ. Keep moving on, don't care what the world says. Keep moving on. "They that are sons of God are led by the Spirit of God." Is that right? "There is therefore now no condemnation to them that are in Christ Jesus, that walk not after the flesh" or, the things of the world, "but after the Spirit." No condemnation, walking on.

¹⁷⁴ Now notice. And when he was being taken up, after awhile a chariot of fire come down, picked up Elijah. And he stepped on it, and as he went out, he pulled off his robe like this, and threw it back, and it dropped on the ground. When the horses and chariot of fire packed him away.

¹⁷⁵ Oh, I want you to get this, now. What a beautiful type. Elisha, the young prophet then, the one that was his witness of all the power that he had did. All the things that Elijah done, Elisha was his witness. Then he picked up the same mantle, threw it over his own shoulders, and started walking down towards Jordan...a perfect, beautiful type. Walked down to the Jordan, pulled off the mantle, held it in his hands, and struck the waters. Said, "Where is the God of Elijah?" And the waters divided from one side to the other...a type of the Church following Jesus, seeing His power, seeing His miracles.

¹⁷⁶ And, He one day was asked, some said, one woman said, "Let my sons sit one on the right side and one on the left."

Said, "Can you drink the cup that I drink?"

Said, "Yes."

"Can you be baptized with the baptism that I'm baptized with?"

Said, "Yes."

¹⁷⁷ Said, "Truly you will, but the right hand and the left hand is not for me." In other words, the same baptism that I have, you'll have too.

¹⁷⁸ And when the Church watched Him when he went to Pentecost...He went to the upper room, and He had the supper, went up to Calvary, and was crucified. And then when the Church, called out, watched Him when He went on His ascension going up He said, "Now I'm going to send you into all parts of the world, to be a witness unto Me. But before you go, wait up yonder at the city of Jerusalem, because this same Holy Ghost mantle that's upon Me is going to come down on you. I'm going to send it back." And they went up to the city of Jerusalem, and there was baptized with the same Holy Ghost that was upon Jesus Christ. Hallelujah. Then you're "witnesses of Me," as "Jesus Christ the same yesterday, today, and forever."

¹⁷⁹ And the same Holy Spirit that was upon the prophet Elijah was upon Elisha in a double portion. And we tonight as the Church of God, brother, sister, who has claimed to kiss the rims of the blessed cup of His blessing, with the baptism of the Holy Ghost falling upon us and enshrouding us, baptized us into His Spirit, going out as His witnesses, how can we hold our peace in a day like this? When corruption and stuff is on every side. Let us stand and bear record of the truth. Amen.

¹⁸⁰ Wonderful. Oh, my. I've got to quit. I feel like I could start right now

they were endued with power from on High. Then they would be the witnesses all over the world...Jerusalem, Judea, Samaria and to the uttermost parts of the earth.

³⁷ In the court there's two kinds of witnesses that'll stand, that's eye or ear. Now, if you're sitting in a room and look through a glass and see an accident, you're a witness. Your word's no good because you were looking through a glass. You have to be right there, close, to really know what you're talking about before you can be a witness. You have to hear it, or you have to see it, before you can be a witness on a severe case in the court. You can't say, "Miss So-and-So told me" or, "Mr. So-and-So" or, "Reverend So-and-So told me." He's the witness, but you're not.

³⁸ So therefore, no man can exactly witness to the resurrection of Christ, only by the Holy Spirit. You have to be a personal witness yourself. Being there, knowing something about it, knowing what you're talking about. And God help us to see the day that when man will be just what they are.

³⁹ You know, I say this now with all respect...it isn't our city full of bootleg joints that's hurting us. Here's what's hurting us more than ever, it's people who are professing to be Christians and not living right. That's the thing, see. They're not a correct witness. They can't witness until they have an experience. And when they have an experience, then they become a witness automatically because they are born again. And all the things of the world, old things have passed away, and all things have become new. Then you become a witness unto Jesus.

⁴⁰ Jesus knew before these apostles could ever go out and be a correct witness that they had to experience what they were witnessing about.

⁴¹ Wouldn't that be nice today if every seminary did the same thing? If every Christian did the same thing? Would just come to church and say, "Now I'm accepting Jesus as my personal Savior, and I'm going to stay right here until I get the baptism of the Holy Ghost, and then I'm going out to be a witness." Things would be different, don't you think so? We wouldn't have that loose, scattered, testimonies.

⁴² People testify and say they're a Christian, and go out and live other lives. Then the unbeliever comes in and sees that, he says, "Well look at there, is that the way they..." And the Devil will always point them out, too. You can just depend on that. He's a business man, don't underestimate his ability in his business realms, because he knows what it's all about.

⁴³ Now, before you can be a witness as I said, you have to know something. You really have to be a witness. God had a witness in the Old Testament. One of his first witnesses was Noah. Noah was a witness because he had heard the Voice of God in warning, telling him that there was coming a flood, and that he must build an ark. And preparation of this ark was to get ready at once. And he was to prepare a place for the saving of the people. All who would come in could come in. And he was God's witness.

⁴⁴ Now, the only thing that he knew that God had told him that it was going to rain, though it had never rained on the earth, but God said it was going to rain. So if God said it was going to rain, then that meant it was going to rain. So he was a witness of the Word of God. And so, he was called, and he went out and prepared an ark and got things ready for the rain, before the rain ever started to fall.

⁴⁵ Then there's another witness of God. There was some people one time, the Jews, from the tribe of Judah, where they got their name. Because they wouldn't walk after the ordinances of God, wouldn't keep his commandments, God called King Nebuchadnezzar to come in and to take them captive down into the land of Babylon.

⁴⁶ Many of us remember the famous old story of how they hung their harps on the weeping willow trees, and they could not sing the songs of Zion. All their victory was lost, not because that God wanted to take it away from them, but because of their sins separated them from God.

⁴⁷ That's the reason tonight that many of the Christians haven't got the victory, it's because their sins has separated them from the blessings. Cut off...out in a desert place, alone. And our hearts are hanging on the weeping willow trees, because we can't enjoy the songs of the church.

⁴⁸ I remember long ago when we used to come in here, they'd be playing Down At the Cross on the piano, when the bell was being tolled...and come in, there would hardly be a dry eye in the church, everybody weeping slowly. They were mellow. I just like the old-fashioned way...mellow, sweet, power of the Holy Spirit. Broke up. Before we can ever make any headway, we got to get broke up first.

⁴⁹ You know like the potter, the prophet was going down to the potter's house to be broke up, to be made over again. And you know, if there's no breaking up, there's no making over again. You have to first be broke up. And how that, just like the ground, if you're going to have a crop, Brother Wright, you have to break your ground up first, tear it all to pieces, and then plant your seed, and it'll come forth. Depends on what kind of seed you plant then while it's broke up. So then, while the crop...the ground is all broke up, it's time to plant the seed.

⁵⁰ Then these brethren who had gone away from the Promise Land down into Babylon, carried away, because their sins had separated them from God.

⁵¹ And I'm just old-fashioned enough to believe tonight this...that when the church, or any individual, begins to play and flirt with the world, you're going to have the same experience. Getting away from God. Getting away from the Truth. And I believe it. I know that is true. I've been in the ministry now twenty years, and I've seen all different sorts and kinds around the world. But I tell you friends, you may be looked down upon, but I like an old-fashioned broke-up meeting.

⁵² Someone come by one day and said, while I was preaching here, said, "Did that woman... Billy, how could you preach and that woman setting back there, snubbing, crying, hollering 'Amen'?"

reached over and pulled off his mantle, struck the waters, and the waters divided hither and thither, and the two walked across as on dry land. The preachers stood off and looked at them both go across. Amen.

¹⁶¹ When they got on the other side...Now...After...Oh, I hope this soaks into the Branham Tabernacle, plumb down to the marrow of the bone. Not when he was at Gilgal, not when he was at the school of the prophets. Neither when they were on this side of Jordan...but after he had crossed Jordan. Followed him every step of the way.

¹⁶² You're willing to say, "I accept Jesus as my personal Savior. I'll quit my bad habits." But come down to Jordan, where you have to die out, where all the things of the world, all your friends and everything's forsaken, and you keep your eye on Him alone.

¹⁶³ Then what? He said, "I'm going to go with you right on through Jordan." Amen. I like that. Why? "I'm going to be a witness of this." And he passed through Jordan.

¹⁶⁴ Notice, here it is! I want you to get it. After he crossed Jordan, then he said, "What will you that I do for you?" That's what Christ wants to know of the church tonight. After you're separated from the things of the world, after you become a new creature in Christ Jesus, after you're born again, filled with the Holy Ghost, crossed over Jordan, all the things of the world dead behind you, now ask what I can do for you.

¹⁶⁵ I like this. He said, "That a double portion of your spirit come upon me." That preacher knowed what he was talking about. "A double portion, because I want to witness that much more."

¹⁶⁶ He said, "You've asked a hard thing, but if you will see me when I go away, it shall be what you ask you shall have."

¹⁶⁷ Now brother, you talk about a preacher watching the other one, he was really watching him. That's what the Church ought to be doing tonight, for a double portion of the Spirit, is watching Christ, watching the Holy Ghost, the way It moves.

¹⁶⁸ Notice, he said, "You've asked a hard thing." But he couldn't keep one eye on the world and one eye on Elijah. He had to put both eyes right straight on Elijah, following.

¹⁶⁹ The trouble of it is tonight, we've got too many Christian people, professing Christians, got one eye on the world and the other on the cross. You'll fall as sure as the world. Let your eyes be single, let your heart be single, let your thoughts be single. Amen. Brother, that rubs in. But that, it hurts, but it's good.

¹⁷⁰ We, as little kids, we used to have to take castor oil all the time. Mama back there, she used to give us castor oil. And I'd hold my nose and gag. She'd say, "Honey..."

¹⁷¹ I'd say, "That stuff makes me so sick!"

¹⁷² She said, "If it don't make you sick, it don't do you any good." So, maybe there it is. Maybe the gospel can be applied the same way, if it don't stir you all up, it won't do you any good.

¹⁴⁹ After that great prophet was taken and Elisha taken his place, Elisha took Elijah's place. Oh, I can imagine this type of a witness. One day, he started off, and he seen Elijah threw his mantle over him and blessed him. And he killed the oxen and made a sacrifice, showing that all the things of the world was dead behind him. That's the way to come to God, kill everything behind you, burn all the bridges. Don't lay that bottle up so you'll find it tomorrow, and don't lay this other thing up so you'll find it tomorrow. Get rid of the thing. Burn up. Amen. Be a real witness. Come out, brother, bare footed. That's the way. Excuse those expressions, but that's the only way I know how to say it.

¹⁵⁰ Alright, said, "Now, things are going to happen around here." Alright, notice. Then he started from Gilgal and he went on to the school of the prophets. Now, I want you to notice, when he got up there to the school of prophets, he said, "The Lord is leading me to Jordan." Three stages that Elisha followed Elijah. And Elijah was a type of Christ, Elijah; Elisha, the type of the Church.

¹⁵¹ "I go up to Gilgal." First, justification, by faith. And then, he said, "Now, you stay here," to the Church, Elijah. Elisha to Elijah, see. Young and the old prophet, a type of Christ and the Church.

He said, "As your soul lives, I'll not stay here, but I'm going with you."

¹⁵² And he went up to Gilgal. When he got up there, he said, "Now, you stay here; the Lord is calling me up to the school of the prophets."

¹⁵³ So he said, "As the Lord lives and your soul never dies, I'm going with you. I'll not leave you."

¹⁵⁴ That's the Church. Keep your eyes on Jesus. Wherever he moves, go. If he goes out of the Methodist church, go right on with him. He goes out of the Baptist church, go right on with him. If He goes out of the Branham Tabernacle, go right on with him. "I'll not leave you." No matter where Mama belonged, where Papa belonged, where this happen or another, "I'll go with you. I'll not leave you." Hallelujah. "I am your witness. I can't go. You're a part of me. Come on, and I'll follow."

¹⁵⁵ And he goes to the school of the prophets. He said, "You stay here."

¹⁵⁶ And some of the prophets said to Elisha, he said, "Do you know your master will be taken from you?"

¹⁵⁷ He said, "I know it, but hold your peace." Amen. I like that. "I'm going to stay right with him, no matter what the rest of them say."

¹⁵⁸ And Elijah turned around and said "Now, you tarry here, for God is sending me to Jordan." Three places. Justification, Gilgal. Sanctification, the school of the prophets. And to the baptism of the Holy Ghost, to Jordan, where Jordan represents death.

¹⁵⁹ Notice. Martin Luther, John Wesley, Pentecost, down to the Jordan dying out time.

¹⁶⁰ So, Elisha walked right on down to the river with Elijah. And when they got down to Jordan, death, last stage of the journey, old prophet

I said, "Maybe that was a whole lot the reason I was preaching."

⁵³ Said, "Well that would just almost kill me, if I was trying to talk and somebody carrying on like that."

I said, "It didn't hurt me, brother. It was encouraging me."

He said, "Was she a horrible sinner or something?"

I said, "No! She was a Christian, filled with the Holy Spirit."
"And weeping?"

⁵⁴ I said, "Yes, the Bible said, 'He that goeth forth weeping shall doubtless return again, bringing with him precious sheaves.'" Amen.

⁵⁵ That's right. "He that goeth forth sowing tears, will doubtless return again, bringing with him precious sheaves." Rejoicing as he comes back. But the first things first...breaking up, making over, then come rejoicing. Amen.

⁵⁶ All right. These children of Israel got down there, was under another king. Not their own king; he had been carried away with them. They'd come under another king, a cruel king, King Nebuchadnezzar. So one day, he said that if any people...when he made, erected a great image out in the fields, and said that every person that would not bow down to that image must be thrown in the fiery furnace, and be burned. What a decree was made, that these boys should be burned up, every one.

⁵⁷ And there was three down there that had had previous answer to prayer, named Shadrach, Meshach, and Abednego. They turned their backs to the image, and they said, "Be it known to thee, O King..." I want you to notice this. God wants his witnesses to be stern. Not a witness today and wishy-washy tomorrow.

⁵⁸ I was preaching a funeral service today, and cutting it strong. Someone asked me to, said, "I think most of the people were sinners, hadn't accepted Christ." I thought maybe I'd cut it a little too strong. And when I was going out in the undertaker's car, he reached over and patted me on the shoulder and said, "Preacher, I want to commend you."

I thought, "Uh-oh."

⁵⁹ He said, "That's the way I think that it should be preached." He said, "I don't like wishy-washy religion."

⁶⁰ I thought, "Boy, there's hope for you." That's right. That's right. Where you really put it where it belongs. That's exactly right.

⁶¹ Then, these children of Israel...these Shadrach, Meshach and Abednego, God's witnesses...God's never been without a witness. He's always... Now, here I want you to get this real close. God has never at any time been without a witness on earth. He's always had at least one man He could put His hand on and say, "That's My witness." Come down to one man, one time, Job was his only witness. (And Abraham in the land.) But, God had a witness.

⁶² Somebody's going to witness for God, somewhere. Now, after awhile we want to find out what a witness really is of this day.

⁶³ Alright, notice. These men, as they went down there, they refused to

eat the king's meat, drink his wine, and they refused to bow to his image. They were a genuine, true witness of God. Then, there is sometimes a penalty goes with a witness. Sometimes when you witness for God you have to suffer a little bit.

⁶⁴ Remember when mother told you that you couldn't stay around home as long as you read the Bible and carried on. Or some of the neighbors said, or the children said at school you was a fanatic or something, because you was a true witness? Remember on the job how all the men laughed at you, because you was a real witness? How on the street you were made fun of, when you give a testimony? But that's a genuine sign of a real, true witness. God wants witnesses.

⁶⁵ Now, some people say, "I testify in church." That's good. But brother, let your light shine in the dark places, where it's really needed. Out in the hedges and highways, in the bar room, out down on the street, everywhere you're at, let your light shine as a witness. Amen.

⁶⁶ Notice. Then the fiery trial come on. And every man that will witness for God will have to go through fiery trials. Isn't it strange how God leads his people? Very strange. Just as soon as Jesus was baptized, He went up into the wilderness to be tempted of the Devil.

⁶⁷ Just as soon as Israel come out under the blood, circumcised, the Holy Spirit leading them in the form of a Light, right straight up to the Red Sea, and there, cornered...mountains on one side, desert on the other, Pharaoh's army coming, and the Red Sea cutting them off. God led them right to that place. Why? To get glory. Then Moses prayed, and God told him to step right on down towards the Red Sea, holding his stick out in front of him. And as he walked, the Red Sea moved from one side to the other, right across the Red Sea. Why? God's path led through.

⁶⁸ As soon as they come out of there, right into the Wilderness of Sin. Strange. God's path led right to that great temptation there when they murmured against God. They went from there on, from one murmur to another, from one trial to another. As the old song says, "Some through the water, some through the flood, some through deep trials, but all through the blood." That's God's way of leading. Leading His testimonies, His witnesses.

⁶⁹ Now, when it come time, the test of the fire, Shadrach, Meshach and Abednego said, "Our God is able to deliver us from the fiery furnace. But nevertheless, if He doesn't, we're not bowing down. We're going to die a real witness." I like that.

⁷⁰ I like that old courage. Like old Buddy Robinson, he said, "Lord, give me the backbone like a saw log." That's the kind of witness to be. Courage! God likes us to be courageous. He told Joshua before he crossed over, said, "Be thou very courageous, for the Lord thy God is with thee whithersoever thou goest."

⁷¹ You say, "Well, if God would tell me like He did Joshua, I'd have some courage too." He's told every believer the same thing: "I'll be with you, always, even to the end of the world. I'll never leave thee, nor

out of the air that you can't see?" I don't know, but it gets here.

¹⁴¹ Are you a witness of it? Have you tasted the Lord is good? Do you know what you are talking about? That baptism of the Holy Spirit is just as real tonight as your life is. The power of God unto salvation. Sure, He's good.

¹⁴² He set there and eat. When he got ready to drink, he just stepped over to the side of the brook, and drink. That was all. And they thought he was crazy. No, he was God's witness. That's right.

¹⁴³ And the first thing you know, when the brook dried up, He said, "Now, I have prepared a widow to take care of you." My. What a place for a preacher to go, to a widow's house. But God said, "I prepared it."

¹⁴⁴ So he goes down there, he's to be a witness down there. So this widow...so he goes down there, and he's walking along down the street. According to the vision, he was supposed to see a woman in the yard, I suppose. He seen a woman in the yard, said, "That's her, so I'll just walk by." He said, "Go bring me a little drink of water and a morsel of meal, or a cake rather, in your hand."

¹⁴⁵ She said, "As the Lord lives and your soul never dies, I have only enough meal in the barrel and enough oil in the cruse to make one little cake. And I'm out here baking...getting two sticks," and said, "and I'm going to make the cake for me and my son, and as soon as we eat that, we die."

He said "Go fetch me a cake first." Amen.

¹⁴⁶ "Seek ye first the kingdom of God." Have you ever witnessed that to be the truth? Put God first. Pay your tithes first. Pay everything first. Pay God. Pray first in the morning. Pray all through the day. Give God the first place in everything. You'll be a witness.

¹⁴⁷ She runs right in. She had two sticks. In the old Oriental way, they used two sticks. It was two sticks crossed like this and the fire was in the middle. The Indians still use it. They move the logs up as they burn. That was the cross, Christ, where the fire was in the middle. They took a little of the meal offering, put that ground meal, all ground just the same... "Jesus Christ the same yesterday, today, and forever." Poured in the oil, which is the Holy Spirit, and mixed it together, the Holy Spirit and Christ. Going to make some kind of a hoecake now, brother. Amen. Oh! Don't think I'm crazy. I'm just religious tonight.

¹⁴⁸ Alright, notice. "Make me a little cake first." So she took the meal offering, Christ, poured the Holy Spirit in it, and mixed it up, and put it on the cross and cooked it. Oh, brother. Talk about a cake, that was one of them. Come out and brought the little hoecake, and the last drop of water she had, and the prophet stood there and eat it, and drank the water. Said, "Now go back and make one for you and your son, for THUS SAITH THE LORD, the barrel will not go empty, neither will the cruse go dry, until the day God sends rain upon the earth." What? A witness. That's right. That widow was a witness in the land.

out there and prayed...God gave him a witness. He said, "Now you go down and tell the king that not even dew is going to fall unless you call for it."

¹³⁴ He goes down and tells the king that, went up there and set down. And could you imagine? I can hear some of the people say, "That old man's cracked in his head. Why, he says there isn't going to be no rain until he calls for it." But he was God's witness. He knowed what he was talking about. He knew what God would do, because God always keeps His Word, and Elijah knew that. So he knew God told him it wasn't going to rain, so he went and told it wasn't going to rain.

¹³⁵ If God said you can receive the baptism of the Holy Ghost, then go get it. And if God says healing is for you, then go get it. If you're a witness, go on and witness for Him. God promised it. He can't lie.

¹³⁶ No matter what they say today, "The days of miracles is passed." That, just let that go. It's God's Word we're taking, not somebody else's.

¹³⁷ I can see...the first thing you know, here comes old Elijah, went up there. And they said, "Look at that old crank now. He's gone up top of the hill there, and set down by that brook Cherith. What a pitiful looking sight, that old man up there, long gray whiskers, and about seventy years old, a stick in his hand, and a little cruse of oil. Why, you'll starve to death up there."

¹³⁸ But after a while the drought come, and begin to move on. And you know, them people down there that thought that he was crazy, they hadn't noticed that up there he was eating three meals a day. Having a good time. Yes. He was better off than a lot of the people in here tonight. He had some porters. That's right. The porters come by crows...come by everyday, and brought him sandwiches, and give it to him for his breakfast. Some fellow said not long ago, "Preacher, do you mean you believe that?"

I said, "Yes, sir."

He said, "You mean to tell me that you believe that he ate?"

I said, "Yes, he did."

"Where did he get the fish at?"

I said, "I don't know."

"Where did he get the bread?"

I said, "I don't know."

Said, "Do you think he went to a bakery?"

¹³⁹ I said, "I can't tell you. But the only thing I know, the crows brought it, he ate it, was thankful for it, and done what God told him to do."

¹⁴⁰ That's the same way with the baptism of the Holy Ghost. You say, "What makes them people shout?" I don't know. It is manna coming from God out of heaven. "Do you mean you actually feel something? I don't believe it." Well, you don't have to. The Holy Ghost brings it, I just eat it, and satisfied, and shout, and have a good time, and let the world call me what they want to. The Holy Spirit..."But where did you get it at? Where does the manna come from? Where does anything come

forsake thee." Courageous! Let's go take the promise then. God gave us the promise, let's be a real witness.

⁷² So he heated the furnace seven times hotter than it ever was heated before. That's the way the Devil does it. Brother, he don't halfway do nothing. He pushes everything he's got right into you. But thanks be to God, God's got some pushing him back that He does Himself. That's right. Alright, look at Him.

⁷³ So he said...Now notice, I can see King Nebuchadnezzar setting himself by the side of the big furnace, and the smoke, the skies are red. I imagine all night long, there was a prayer meeting going on.

⁷⁴ You know, if you're coming to a test...Here it is! That's the trouble with the church today. You rely upon your own senses and ability, instead of taking it to the Lord in prayer. That's right. Today, we start to send us somebody somewhere. "Well," you say, "we get down and have a little counsel, and meet," and say, "We should do this or go here or do that." But the Bible, in the days before they sent out the apostles, they met together, and fasted and prayed. And the Holy Spirit said, "Separate Me Paul and Barnabas." The Holy Spirit. You notice, not man's opinion, but the Holy Spirit leading, guiding. Amen.

⁷⁵ Now...prayer meeting all night...so they had to show what they were made out of. And brother, every man that professes to be a Christian, sometime or other you've got to show what you're made out of. The Devil's going to call your hand.

⁷⁶ Poor little Tommy Osborne, many of you know him...come over...I was sitting on the porch, he said, "Brother Branham, I was in the meeting. I seen that maniac fall across your feet. What can I do?"

⁷⁷ I said, "Now Tommy, don't profess anything that you can't back up, the Devil's going to call your hand on it." Yes, he will. And he'll do it right away. I said, "Then if you can't back it up, you know what's coming. It'll be a reproach, so be sure that you're right before you make your statement."

⁷⁸ And that's right too Christian, be sure that down in your heart God has separated you from the things of the world and made you a new creature. Then go tell people you're a Christian. Until that's happened, stay right at the altar and die, till you're just as dead as you can be. Alright. Die till you're so dead till you can't even...Well, that's right. Dead!

⁷⁹ You know, I think today we bury too many live people. You bury people after they're dead. Is that right? Yes, sir. Listen brother, a dead man won't argue with you. You can say anything to him you want to, call him all kinds of names, he won't say a word. Why? He's dead. And a man that is dead in Christ, you can offer him a drink, you can give him this, that, or the other, but he's dead. He's hid in Christ through God, sealed by the Holy Spirit. Amen. That's it.

⁸⁰ Now then, he can't do those things, because he just can't do it. It's against his nature. He becomes a new creature. You take an old hog, and

wash him up, and scrub him up, and manicure his toenails, and give it lipstick, and put it all on the nylons you want to. Turn it loose, it'll go right to water and wallow. The scrubbing won't do no good. It's still got the nature of a hog. And then you take a lamb and put him in a mud hole, he'll squeal till you get him out. Why? He's the nature of a lamb.

⁸¹ Now, the only way to keep a hog out of the mud is, change his nature. That's right. That's the only way to make a Christian: let his nature be changed from a sinner to a saint. And there's only one remedy, that's the Holy Spirit. Then you're a witness. Amen.

⁸² Now notice, I want you to get this close. King Nebuchadnezzar made the proclamation that these people should be burned. And that morning they come, bound their hands. There went a plank, walking up, or a road, up to the top of the furnace, the big furnace open. They were going down into the furnace. And they started the death march.

⁸³ He said, "Now look, you got a chance, now. If you want to take down, alright."

⁸⁴ They said, "Our God's able to deliver us, but we're not taking back." They were real true witnesses to the end.

⁸⁵ They started walking up the pathway, going up. The soldiers marching them. The intense heat got so bad until it just about choked out the soldiers. And then when he got ready to push them into the fiery furnace, I can hear Shadrach say, "Hey, you sure you prayed up?"

"Yes, I believe it's alright now."

⁸⁶ Alright, and then even the soldiers were slain, the ones who brought them in. And they pushed them just a few steps, and they were going to push them into the fiery furnace.

⁸⁷ Now, all the time there's something going on earth, there's something going on in heaven, too. Got an awful picture here under consideration now of a believer going to his death. But let's turn our camera tonight towards heaven. While things are going on down here, there's something going on up there.

⁸⁸ I can see God, the Son of God setting on the right hand, looking down. I hear an angel come and say, "Lord, I am Gabriel," with his great sword in his hand, saying, "Now I...ever since the day that You created me, I've stood by Your right side. I've done just what You've told me to do. Have You looked down at them witnesses this morning? They're fixing to burn up three witnesses."

I can hear Him say, "I've watched them all night long."

⁸⁹ "Let me go down," he said. "I'll get rid...I'll change the picture." I believe he could have done it.

⁹⁰ But He said, "Gabriel, just put your sword back into its sheath. I can't let you go."

⁹¹ Then I look, coming here, to His left. Here comes a great, mighty angel by the name of Wormwood. He has control over the water. And he falls before him prostrate, and he says, "Lord, have you looked down at

know, "That little fellow without an edu...whatever he is, coming there to meet me?" Said, "Me, with all my degrees and all? Why, I can't even spend my time with him. Talking about divine healing, talking about the power of God, talking about salvation. Can't even spend my time with him." But he was a witness of what he was talking about.

¹²⁵ If every man or woman is a witness of what they're talking about, don't you worry, they'll have to spend time with you. Because hog killing time will be on, brother, the scraping boards will be out. That's right. Yes, sir.

¹²⁶ Alright. He put that little old rock down in that slingshot, here he went across the branch and up over the hill, running to meet this. "Why," he said, "look." He said, "You meet me as a..."

¹²⁷ He said, "Well, I'll pick you up at the end of my spear," probably thirty or forty feet long, said, "I'll pick you up on there and I'll give your flesh to the birds to eat today."

¹²⁸ Look at David, a witness now. He knowed what he was talking about. The opposition was against him. Sure, it was against him. But he knowed he was a witness. He knowed what he was talking about.

¹²⁹ So he said, "You meet me as a Philistine, in the name of the Philistines, with an armor and with a spear, but I meet you in the Name of the Lord God of Israel." Amen. That's the difference. That's what made the difference.

¹³⁰ And he said, "Today you...?..." Why, the giant laughed at him, and went to kill him. Little David started, when he's about to sling throw. So, he had what? He had five stones, J-E-S-U-S, wrapped up in five fingers, F-A-I-T-H. Brother, he got the thing to working right, around and around and around. And when you get faith in Jesus Christ working in a perpetual motion in your soul, something's going to take place. Sin, sickness will get away from you. Devils will scatter like roaches on the floor in the summertime when the light's turned on.

¹³¹ Here he comes. F-A-I-T-H in Jesus, here he comes. "I meet you in the name of the Lord God of Israel," and he begun to swing that slingshot around. The Holy Ghost shot that rock right out to that Philistine and killed him. David took his own sword and cut off his head, held it up, and said, "Come on, boys. I told you God would do it!" Hallelujah. He was a witness. He knowed what he was talking about. He had tried it, and he proved it. He didn't know nothing about the armor and the spear, but he knew what he had in his hand, God had been with him.

¹³² I don't know, we don't know, about all your great big ideas and things like that, but we do know what the Holy Ghost is, and we know what it does for us. So we want to be a witness. Now you have to go get it first, before you can be a witness.

¹³³ There was a fellow one time by the name of Elijah. God was with him. He had seen God in great trials. He had seen God do things. So he seen sin come upon the nation, so he said, "Now, just a minute." He went

stand out there and tell us that old-time religion's not right? When the baptism of the Holy Ghost proves that it's right.

Say, "People won't come." Yes, they will. Amen.

¹¹⁸ Old John the Baptist, when he began to preach, he was the greatest preacher of all the age. He was a very simple man. He went into the wilderness at the age of nine years old, and he didn't get a Ph.D. But what did he do? He didn't come out with his collar turned around, or know the Doxology, or the Apostle's Creed. But he was God's witness. When he come out of the wilderness of Judaea, he preached with such a gospel, with an old sheepskin draped around him like this. Oh, my. But he stirred all the regions around about Jerusalem and Judaea and around Jordan. Why? He preached Christ. Not in a historical affair, but in a present event, present time fact. Hallelujah.

¹¹⁹ Today we preach history all over the world of the resurrection of Christ, but what about you as an individual in your heart? Has He risen in a new life? Has the old life died?

¹²⁰ David said, "You're going to let that uncircumcised Philistine stand out there and say such things?" Well, he said, "I'll go fight him."

¹²¹ So the first thing you know, Saul said, "Well, if you're determined to go, I'll give you my armor. I'll give you my shield, my helmet, and my sword." Oh, my. Listen. When little David got that great big thing; I imagine his little shoulders about like that, and them shoulders on that shield about like that, and that breastplate. They got it on, and the poor little fellow couldn't walk. Listen. We found out that an ecclesiastical shield won't fit a man of God. That's right. All your theology won't fit the power of God. You don't need theology, you don't need education, what you need is a surrendered heart to the will of God to be a genuine witness.

¹²² It wouldn't fit a man of God. He said, "Take this thing off of me." I don't need your Ph.D. Amen. Said, "I'm a witness." Of what? Said, "I never tried this kind of stuff. I don't know nothing about your theology. Let me go the way the Lord delivered me from the lion and the bear." That's what I say today, brother. Don't let me go with some psychology, but let me go with the old-fashioned baptism of the Holy Ghost, that took me out of the...?...and delivered me. Let me go like that.

¹²³ "Oh," he said, "I can't go with all of this. I've never tried it, I don't know nothing about it. How do I know how to stand and repeat all these creeds and everything like that? I don't know nothing about it." Said, "Take the thing off of me." So he took it off, and he felt pretty good. Reached back and picked up his little slingshot...he felt like running. You know how you feel when you get your sling in your hand. He looked over there, and Goliath said, "What are you going to do about it?" David said, "I'm coming." Amen.

¹²⁴ He packed his little slingshot, run down across the creek, and picked him up five rocks. Put one of them in there, wound it up in his hand. And Goliath said, "Do you mean to tell me that that little holy roller..." you

them witnesses? Well, they're fixing to burn them up this morning, because they're witnessing to God."

Said, "Yes, I've watched them."

⁹² "Let me go down. I'll wash Babylon off of the face of the earth." I believe he could have done it. He said, "You gave me the keys during the time of the antediluvian world, and I flooded the whole thing, and washed it off for You. I'll do the same thing this morning...?..."

⁹³ I can hear Him say "Yes, Wormwood, that's right. You can do it. I know you can do it, but I can't let you go."

"Why, Lord?"

⁹⁴ "Stand over here on My left side, because I can't let you go. I'm going Myself. I've watched them all night. I watch My witnesses. I watch over My Word, to perform it. I just can't let you go, because I'm going Myself."

⁹⁵ They're just about one step now to go down into the fiery furnace. Isn't it strange? God lets you come right to the last step of the road...seems like He doesn't care, He just sat. But He's watching you. I think of when He was looking down into Babylon. "His eye is on the sparrow, and I know He watches me", He watches you.

⁹⁶ Notice. Then I can see Him as He raises off of His great throne. His priestly garments drop around Him, and He looked out there. And a great big thunderhead was sitting back in the north side. I can hear Him say, "Come here, east wind, west wind, north and south. I want to drive you this morning." They got under that thunderhead, and rolled up the side of the throne, and He steps off onto this big thunderhead. Reached up and got a hold of a big zag of lightning, and cracked it through the skies like that.

⁹⁷ And about the first time they made that final step to go in there, He come down with the Tree of Life, or Stream of Life, and picked off a big palm for a fan, and when they hit that fiery furnace, there was One like the Son of God standing in the midst of them, fanning away all the fiery breezes away from them, and as they're burning a long time. Real, true witnesses. God will stand by a real witness. That's right.

⁹⁸ Then, notice, when all the heat was on, and the fire was burning, that king's heart became troubled. He said, "Go, and open up the furnace, maybe, and see if there's any ashes left." And when they jerked open the door, he jumped up, and said, "How many did you put in there?"

Said, "Three."

⁹⁹ Said, "I see four, and the other one looks like the Son of God." Standing by His witness. God always will stand by His witness. Amen. You know that's the truth. God will make a difference and will stand by those who witness for Him.

¹⁰⁰ One time there was a little fellow by the name of David. He went out to take some raisins out to his brothers one time that was in war, and his father Jesse sent him out. Saul was the king. The Philistines was on one

side and the Israelites on the other side, a ditch between them with a stream of water flowing.

¹⁰¹ And as the Devil always does when he thinks he's got the upper hand, brother, he really pushes it. So he had a great big fellow there, about seven foot or eight foot tall, maybe a little more, maybe ten feet, great big shoulders like a barn door, big spear and armor. And he stood out there and said, "I'll tell you what let's do. I'm the witness over here for the Philistines, let us have a witness from over there, and let the armies not fight, but let us come out and fight. And if I kill him, then you all serve us. If he kills me, then we'll serve you."

¹⁰² See how the Devil does, when he thinks he's got the upper hand. He boasts, brags and carries on. Saul, seven foot himself, was afraid to go meet him. And the armies of Israel was defeated, standing back on the hillside looking across.

¹⁰³ After a while, here come a little old boy, up walking along there...little old ruddy looking fellow, not very big...little scrawny, spindly looking fellow. But there was something beating there in that little old sheepskin jacket that the rest of them didn't have. He walked up there and gave his brothers some raisins and was talking to them about the war. After a while this big giant came out and made his boast, just at the wrong time. Said, "Who will come over and fight us?"

¹⁰⁴ And David said, "Who's this fellow?" Said, "Do you mean to tell me you'll let that uncircumcised Philistine stand out there and defy the armies of the living God? May we have somebody to stand there and witness for the powers of God?" All of them was scared. He said, "I'll go." I like that courage. "I'll go. Let me fight him."

¹⁰⁵ Well, he walked up, they took him up to Saul, and Saul said, "Well, that man is a warrior from his-why, he's been a warrior from his youth, and you aren't nothing but a youth." Look! Hallelujah. I love this right here.

¹⁰⁶ David said, "Look. Thy servant..." to Saul, "The Lord let me kill a bear with a slingshot. He let me take a kid out of a lion's mouth and slay him, I grabbed him by the whiskers and took it away from him. I'm a witness!" Hallelujah. He had been somewhere. He had seen something. He had put the power of God to a test, and he was a witness. That's what we need today is some more...?...that's right. Yes sir, he said, "I'm a witness of what I'm talking about." Hallelujah!

¹⁰⁷ That's what the church of the living God needs today, is a witness, who's been places, seen something, and knows what they are talking about. He said, "I'm a witness of the power of God. A bear went up to grab a kid, and I killed him." He said, "A lion...?...and, I caught him by the whiskers and slayed him." He said, "And the God that helped me to kill the bear and the lion, won't He much more give this uncircumcised Philistine into my hands?" Hallelujah!

¹⁰⁸ In the days when they say, "The days of miracles is passed," when they say, "Old-time religion won't take anymore, that was something for

Grandpa and Grandma." Brother, I'm glad tonight that there's some witnesses of the old-fashioned Holy Ghost, sky blue, sin killing religion, that kills out the very nature and the Adamic powers of the Devil himself. Hallelujah. A witness.

¹⁰⁹ Oh, my. Say, "The people are too noisy." Well, they've got something to be noisy about. Sure. Listen, I'll prove to you that the Bible religion has always been noisy. Yes. God told Job, said, "Where was you?" when Job thought he was a great man, "Where was you when I laid the foundation of the world?"

¹¹⁰ Someone said the other day, said, "Brother Billy, are you still preaching some of that new kind of religion you got?"

¹¹¹ I said "No, sir. I'm preaching the oldest religion there ever was, and the only one there really is, that's got salvation."

¹¹² "That new kind," said, "We didn't have that here a few years ago."

I said, "Let me tell you, brother. It's older than the world is."

¹¹³ That's right. Job said, "Where was you when I laid the foundations of the world? When the morning stars sang together, the sons of God shouted for joy?" Millions of years before the foundation of the world. Amen. That's right. Witness!

¹¹⁴ When Aaron, the great priest, when he went into the Holiest of Holies, packing the blood, they had to dress him a certain way, and he had to walk a certain way. He had to be a witness for God. And he took the blood, and he went forward, and on the hems of his garments, at the bottom, was a bell and a pomegranate, a bell and a pomegranate. And he had to walk so that that played, "Holy, holy, holy, unto the Lord." Talk about holiness. And the reason that bell rang against the pomegranate, was the only way that they knowed that God hadn't slayed him. The only way they knowed he was alive, when he was back there, they could listen and hear the bell, hear the noise.

¹¹⁵ Brother, I tell you, we need the pomegranates and bells beating together tonight like that, with a joyful noise unto the Lord, as a witness. God still lives and reigns. Amen. Right!

¹¹⁶ What kind of a witness? Them witnesses like that climbed up to that upper room up there and got the baptism of the Holy Spirit. It made a pomegranate and a bell get together. They staggered like drunk men under the impact of the Holy Spirit. God's still got witnesses that will be standing at the end, "You'll be my witnesses of this power in Jerusalem, Judaea, and Samaria, and Jeffersonville, Indiana." Amen. Hallelujah.

¹¹⁷ Notice. David said, "You mean to tell me that uncircumcised Philistine..." In otherwise, un-Christianized. "That man who don't..." What is circumcision? That man out there with the Holy Ghost, "With all of his D.D.'s, can stand and defy the living God?" Oh, my. "How can he do it?" said, "He's uncircumcised." Now we're circumcised by the Holy Spirit. The Holy Ghost is our circumcision. And you mean to tell me that you let these Doctors of Divinity, and Ph.D., and double D, and D.D.
