Introduction

The remarkable ministry of William Branham was the response of the Holy Spirit to the prophecies of the Scriptures in Malachi 4:5,6, Luke 17:30, and Revelations 10:7. This worldwide ministry has been the culmination of many other Bible prophecies, and a continuation of the working of God by His Spirit at this End time. This ministry was spoken of in the Scriptures, to prepare the people for the Second Coming of Jesus Christ.

We pray that the printed Word will become written in your heart as you prayerfully read this message.

While every effort has been made to provide an accurate unabridged transcription, the English audio files are the best representation of the sermons spoken by Bro Branham.

move right out over this audience now. Speak to every one of them, say: "This is My beloved Son in Whom I am well pleased." The Son of God, Jesus of Nazareth, His Spirit moving with us tonight. May they sweetly accept it in the form of the Holy Spirit, and be saved and healed tonight. For we ask it in the Name of Thy Son Jesus. Amen.

⁹⁷ Just...I do just...I'm not a very emotional type person, but my heart's been strangely warmed since I come in here tonight, for some cause, I don't know why. I trust that God will pour out His Spirit yet tonight over the whole audience, and tomorrow I pray that it'll be one gleaming light of God around this little place.

⁹⁸ Oh people, fast and pray, get ready. Jesus is coming soon. I believe it. Be ready. What's it going to profit you if we should gain all the world, then lose our soul? What good would it do us? No good at all. Let's serve Him with all of our hearts.

⁹⁹ While they're lining up the audience...Let's pray again just a moment.

¹⁰⁰ Father, come near now. Abide with us, Jesus. Bless us tonight. There's those that are here looking so anxiously, and it seemingly that just a little extra blessing is on us tonight somehow, or just around nearer. Maybe You're just fixing to pour out the Spirit upon us. We pray that it will be, Father. Heal all now.

¹⁰¹ The Angel of God that You sent to me at my birth, guided me down through life by Your hand, He who meets and talks and shows the visions that I speak of. Oh Jesus, send Him now in Thy Name, that He might be able to discern...the gift of discernment, to know the heart. Said, "The things that I do, these shall you do also, and greater." You knew the heart of all people. You knew all diseases. You told Philip where he was at before he come to the prayer line. You told him where to find the horses tied. You told him where a empty room was, to make ready the last supper. Oh, you told the woman of her sins.

¹⁰² And then one day they tied a rag around Your eyes, pulled beard out of Your face, and spit on you. Said, "Now prophecy and say who smote me." Lord, You never opened Your mouth. We're thankful for Your wonderful Life, for the Spirit that You have given us to live by.

¹⁰³ Help us now, and may every disease that passes this a way...may great visions and wonders be done tonight. Grant it Lord. And as the people see these things done, may they accept Thee right then. In the Name of Thy Son Jesus, Amen.

Led By The Spirit

¹ Thank you, Brother Lindsay. Good evening, audience. Sorry of the difficult of the speaking. Can you hear me? All right, that's fine. God will surely take care of it, for we try to do what is right.

² Tomorrow afternoon at two o'clock...Brother Lindsay told me that...to be in for services tomorrow afternoon at two. That will not interfere with anyones service then. Everyone will...their church service...be able to be out and have the service. So, remember that. And then, from...again tomorrow night is regular preaching service, a regular healing service, rather. Tomorrow afternoon is preaching service. And try to come out, if you possibly can. We'd sure be glad to have you.

³ How many here's Christians, let's see your hands? Oh, isn't that wonderful. That's ninety-nine percent of the people are Christian. I'm glad of that. To know that the biggest part of the audience is already saved, found Jesus dear to their heart.

⁴ Now, I want to read just a little bit of the Word first. My word will fail, but God's Word will never fail. Over in the book of Matthew, the 9th chapter, beginning with the 27th verse, you who mark it. And if the Lord willing, tomorrow afternoon I want to speak on the subject... I never know, but if He's willing, *Come And See A Man Who Told Me All Things*. All right, in the 27th verse of the 9th chapter of the Gospel according to Matthew, we read this:

And when Jesus departed thence, two blind men followed him, crying, and saying, Thou Son of David, have mercy on us.

And when he was come into the house, the blind men came to him: and Jesus saith unto them, Believe ye that I am able to do this? They said unto him, Yea, Lord.

Then touched he their eyes, saying, According to your faith be it unto you.

And their eyes were opened; and Jesus straitly charged them, saying, See that no man know it.

But they, when they were departed, spread abroad his fame in all that country.

As they went out, behold, they brought to him a dumb man possessed with a devil.

And when the devil was cast out, the dumb spake:

⁵ You notice what it was that had the dumb man bound? A devil. I'm quite sure that modern science wouldn't agree with that, but as Christians, we believe what the Bible says.

And the dumb...

⁶ Let's see just a moment...Pardon me, the 33rd verse again.

And when the devil was cast out, the dumb spake: and the multitudes marvelled, saying, It was never so seen in Israel.

But the Pharisees said, He casteth out devils through the prince of the devils.

And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing every sickness and every disease among the people.

⁷ Hebrews says that, "He's the same yesterday, today, and forever." He never changes, He's God. And now, one of the most wonderful things of God and the Christians, their connection of the fellowship between God and Christians, is that, "they that are sons of God are led by the Spirit of God".

⁸ Can you hear me all right now, in the back? Is it all right? If you can, raise your hands if you can hear back there all right. That's fine. And, I'm trying to stand just as close as possible to this microphone that may give a roar, I do not know.

⁹ But the greatest thing I've found in Christian life is letting the Holy Spirit lead you, and guide you, and His work is marvelous. How many in here's ever been led by the Spirit, let's see your hands? Oh my, that's wonderful. Led by the Spirit of God. There's no one would lead you to the altar but the Spirit of God. There's no one would bring you here tonight, lest it was Spirit of God, is that right? He moves in mysterious ways His wonders to perform.

¹⁰ Many times in the leading...since I was a little boy...Sunday a week, if we get to stay that long, I wish to tell my life story. Sunday a week, the afternoon service, to let you know just what tears and blood has been along the road. Someone might think it's all roses, but that isn't so, friends.

¹¹ Now, many times...The only time that I can ever be able to say anything to people about their diseases and so forth, is when being definitely led by the Spirit. I have to let Him do it. If I would say something within myself, it would certainly be a mistake.

¹² Many times it confuses me when there's so many. The best way, when I have the patient to myself, individually, talking to them, to contact them personally. But when it's...Sometimes, when it's a mixed audience like this, it's kind of hard to feel just what it is, and to know what it is, but you have to be very sensitive to spirits.

¹³ Now we realize, and everyone knows there is spirits. Then if there's spirits, there's bound to be a master of that spirit, because it changes the nature of sinners into Christians. And there's bound to be a master head there somewhere, and that's God. And He sent His Son on earth, made in likeness of sinful flesh, and He died that we might be redeemed and brought back to God, to be sons and daughters of God, to walk with Him again. That missing link from the Garden of Eden. What Adam lost, Christ restored again.

¹⁴ Many times wished we had time to bank up there for a little while to speak, but just have about eight minutes or ten. I would just like to give you a few experiences, just going to open my heart to you, talk to you.

¹⁵ There's many times Christian friends, I guess, it won't be much longer,

me here, but I just come by the leading, and now in the Name of your Son Jesus I lay hands upon this dying boy for his life, for his soul to be saved."

Said, "Mammy, oh Mammy."

She said, "He's talking, Parson." Hadn't talked for two days.

⁸⁹ Said "Mammy, it's getting light." Said, "It's getting light in here, Mammy, I see where my boat's going now." A few minutes he was on the floor, rejoicing, happy.

⁹⁰ About a week later I got a letter from it. The doctors pronounced him negative. He's living tonight in Memphis, Tennessee, healthy and strong, because that his dear old mother followed the leading of the Holy Spirit. "Those that are sons and daughters of God are led by the Spirit of God," isn't that right?

⁹¹ Let us bow our heads. Our Heavenly Father, oh, you've been so good to us. Time gets away so easy when we're talking about Jesus, talking about His wonderful works. Here in here, today, He said, "A little while, the world will see me no more." The world doesn't understand. They're blinded by the god of this world, walking in darkness, in their own way, in their own sinful lusts. But we thank Thee. Thou hast said, "I'll be with you, even in you, unto the end of the world." Tonight, wherever you can find a sincere heart you lead him by your Spirit.

⁹² Oh God, this Saturday night when many people are shopping, many are out...roadhouses, places of ill fame, young boys laying on the barroom floor, young girls...the road that's wrong, dancing their way to a Christ less grave, and the old mother's prayers right over the top of them. Oh Master, somehow lead those people. Tonight, speak to them, and may they find a place tomorrow, at a good old fashioned altar, become your servant. Lord, may the results of this meeting be an old fashioned revival break out that'll sweep plumb through the cities and the nation. For we believe that soon you shall send Jesus. Gather us together.

⁹³ There's many here tonight, Father, that's sick and needy, that feels Your Spirit now. We all know that You are here. You said, "Wherever two are three are gathered I'll be in their midst." And we feeled You, literally with spiritual feeling we know that You're here.

⁹⁴ And now Father, as I have testified to these people concerning a divine gift. They only have my word 'less you speak, Lord, but I know that You'll speak. Vindicate it. Testify of it. All praise and glories to Thee, Thou marvelous Son of God.

⁹⁵ You're so wonderful. To redeem us, us poor lost sinners worthy of death and separation, worthy of hell, but Thou has redeemed us. Oh, how my heart jumps when I think that I'm redeemed, and just as sure as You raised from the grave, some day we shall come forth with a new body. It'll never be sick no more or suffer.

⁹⁶ Now dear God, bless tonight those who are here. May the Holy Spirit just

⁷⁹ Said, "It's the woman that was barren too, and the Lord give me a son." And said, "I promised to raise him for the Lord." Said, "I've done my best, but," said, "Parson, he took the road that's wrong." Said "He's a fine young man and he backslid." And said, "He went out with the wrong company." And said, "He's laying in here now." Said, "The doctors had done give him all the shots they can. He's been unconscious now for two days. The doctor says that he's going to die; it's venereal disease." Said, "Done give him everything could be given, but it was too late 'fore they caught it and he's going to die."

⁸⁰ And said, "Parson, I knowed him laying there dying a backslider," said, "I couldn't stand it." Said, "I prayed and prayed and I said, 'Lord you gave me the boy, but where is Elisha at?'" So...Said, "I prayed and I prayed." And said, "This morning a little 'fore day," said, "the Lord told me to come out here and stand at this gate." And her back was wet with dew.

⁸¹ Said, "I just stood here 'cause," said, "I believe in the leading of the Spirit." Oh my, there is where God and believer meets together on common grounds of faith. She said, that, "He told me to stand here." And said, "The sun came up." Said, "I just kept waiting. When you come down the street," said, "I knowed you was the Parson."

⁸² I said, "My name is Branham." She told me what her name was. I said, "Did you ever hear of my services?"

"No sir, Parson."

⁸³ I told her about it and the tears began to run down her cheeks. Said, "I knowed the Lord wouldn't fail me."

⁸⁴ We went into the room; there laid a fine big boy laying there, about a hundred and sixty or seventy pounds, the picture of health. The blankets gathered in his hands like this, going "mmmm, mmmm." And she walked over and patted him on the cheek. She said, "Mammy's baby." Might be old as he was, but you know, there's a mother's love; you're always momma's baby. You know that Mother's love, no matter what you do, it's never forgotten; mother's love. So she patted him on the cheek, said, "Mamma's baby."

⁸⁵ And I took a hold of his feet; his feet was cold. I thought, "Oh my, he's dying. I said, "Auntie, he's in awful bad shape."

⁸⁶ She said, "Yes sir, Parson. The doctors said he'd never gain conscious no more."

I held his feet and I said, "Shall we pray?"

She said, "Yes, Parson."

⁸⁷ She knelt down on the floor and she began praying. I tell you, that old saint prayed a prayer that you'd know she's talking to God, too. And when she got through praying she said, "Thank you, dear Lord."

⁸⁸ I walked over to where he was at. Looked at him a little bit, and I laid my hands over on him. I said, "Dear God, I don't know why you led me down here. My plane's ready to leave now. But," I said, "I don't know why you led

we'll probably be able to have a few more healing services. And I'm afraid that services are going to be closed, services like this. We got trouble ahead, and you know it. So we want to put in everything that we can, and probably when we leave here I may never see many of you again the rest of my life. We may never meet no more. So let's be sincere with each other and sincere with God and He'll deal with us while we have this golden opportunity.

¹⁶ I'd like to set down and talk with each of you a day, but I couldn't do that. I couldn't spend my time in prayer seeking for God, but I'll make an appointment with you after we cross the river. I'll spend all the time you want to, we'll just set down by the evergreen tree, by the sea of life, and there talk with each other a thousand years. Won't it be wonderful? That time, like to shake your hand, say, "You remember down in Minneapolis, those times when we'd tried to be together? Just look how it is now."

¹⁷ You want to know when I get home, why, I'm going to start to sing Amazing Grace when I cross the stream. I can't sing, but I've always wanted to sing that song. I believe God will let me do it when I get over there. You happen to go over before I do, and you hear somebody...Come out on the porch some morning, hear somebody singing Amazing Grace, you say, "Brother Branham got home." That's me. I love the old song, for it's amazing grace that saved me, brought me thus far.

¹⁸ Many times things happen along in the leading of the Spirit that I don't even mention, don't say nothing about it. Visions are constantly seen. And I tried to explain to you how that's done. It sees the individuals, see...the way they're moving, what they've done in their life, and it just comes just as real as I'm looking at you. I don't believe any of you could doubt that after seeing it work in the meetings. Which has never got to its place yet, for the meeting has been...we've had lots of trouble speaking in a tent. We're new to each other, and it's new here, but I'm very thankful that you're receiving it wonderfully. I can always feel...Each night looks like just more of the momentum of faith rising all the time. I believe that before the meeting closes, if God permits, there's going to be a great sweep like you've never seen before. See how close that is to being right.

¹⁹ Notice, sometimes He shows me things and I never speak it. Now, right now, since I've been standing here, I see four or five things that's already gone on since I've been speaking here at the microphone. But I do not speak it till I see that something has happened.

²⁰ My manager and them, many times...I know this seems a little strange, kind of hard maybe for ministers and so forth to just grasp it right now unless they're very spiritual minded, but I can only be honest.

²¹ And here not long ago, when we met in England, just for a couple experiences...I was in my room one day and I went in, told my manager, I said, "I was setting in the room and I seen a vision of Satan coming to us." Told him just about how long it would be, somewhere within about twenty-

four hours. And there it happened.

²² One morning I remember getting up, going down into the city, about five o'clock. He woke me up. He said, "Get on your clothes," and I went down to the city. I walked about three miles. I believe that was in...?...it was, Norway or Sweden. And I went under a tree by a river, and I prayed till nine o'clock, from five until nine. Then about nine o'clock, He wouldn't let me go. I knowed they'd be wondering where I was at when they got to the room and I wasn't there. While I was praying I heard His voice say, "Rise up now." I rose up.

²³ Now it's just not just imagination, friends. God, His voice is just as audible as mine is to you. Just, it's not...When He stands there it's not just what you just imagine, I hear Him when He's walking, look at Him, talk to Him like you talk to me or I talk to you. It's a Being. Not just a imagination...I can hear Him when He sets His feet down walking. When He talks He just talks like I do. Only He's got a voice that was very humble in one way, and then very stern in another. His characters no man could paint it. Look like if He'd speak He'd turn the world upside down, yet He's so meek when you look at Him you'd almost cry.

²⁴ And He said, "Get up," and I got up and started walking. And I walked about a mile, and I was going by a store what I seen the day before. I didn't know what to do, only walk. He said, "Walk." I thought, "I'll just go around this corner." And I got to the corner, He said, "Turn to your right." I went to the right two squares, and then said, "Turn to your left." And just in a split second, I seen my interpreter from the night before, and I knew something was going to happen, 'cause It just kept getting closer and closer. I knew what was going to happen, it was going to be right away.

²⁵ He come up to me and shook my hand, and there...He said, "Brother Branham it's something strange."

²⁶ I said, "Just a moment." I begin to tell him...And he looked at me, and when he did I seen us in a vision standing there when he was translating the night before. I said, "You just come from the hospital, haven't you?"

He said, "Yes sir."

I said, "You had one of your kidneys removed."

He said, "That's right."

²⁷ I just met him the day before, only thing is on the platform that night.

²⁸ I said, "About three or four years ago you were supposed to do something and you did not do it, isn't that true?"

He said, "That's right."

²⁹ I said, "Then, you had an operation, and since your operation it's went over into the other kidney, that right?"

He said, "That's right."

³⁰ I said, "Last night when I was praying in a congregational prayer, didn't

⁷⁰ Recently, on my road to Dallas...I'll hurry quickly. On my road going to Dallas the plane was grounded, and I thought, "Oh my." I stayed all night, and the next morning I was going down to put my mail in the box. They told us they'd come pick us up. I was going down the street trying to sing that little old Christian song the Pentecost folks sing, *Glad That I Can Say I'm One Of Them*. Did you ever hear it? It's... "People almost everywhere...hearts are burning with flames...the fire fell on...the Holy Ghost makes us all the same," or something like that. And I was trying to sing it, going down the street, my letters in my hand, going walking along down the street.

⁷¹ I started to cross the street. The Holy Spirit said, "Stop." Right in front of a bank; Memphis, Tennessee.

⁷² I thought, "Oh my, what's this?" I walked over in a corner, I said, "Father what would you have me do?" I stood still for a few moments, 'cause I wasn't thinking about it. I felt that real strange feeling move on me.

Said, "Turn and go right back."

⁷³ And I went right back down past the hotel again, just kept on, going down the street humming to myself, "I'm so glad that I can say I'm one of them." Going on, went way on down to the other side of Memphis, on down to the colored district. I thought, "What am I doing down here?" Just led by the Spirit. And I looked...

Said, "Cross this way."

⁷⁴ And I crossed over the street and went down the other side. I was going over there, turned to my right, went up the street this way. All the little whitewashed places there, little colored-places where the colored live. And I passed by and I seen a typical old Aunt Jemima with a shirt, man's shirt tied around her head, leaning over the gate. The sun was coming up, roses around the gate, the sun kissing away the fragrance away from the... Air was full, the birds was singing. How glorious! And I had my hand going on like that, singing, led of the Spirit. I looked at her as I passed by, she was leaned over the gate.

⁷⁵ She said, "Good morning, Parson." Down in the south it's parson, you know, instead of...

⁷⁶ I said, "Good morning, Auntie." She wiped the tears from her eyes, begin laughing.

⁷⁷ I said, "How'd you know I was a parson? Do you know me?"

She said, "No sir."

I said, "How'd you know I was a parson?"

⁷⁸ Said, "Parson, did you ever hear about the woman in the Bible, the Shunammite woman?"

And I said, "Yes."

Said, "The Lord give her a child."

I said, "Yes."

street, begin screaming. (just as went out the door), dressed in black. She lived in Chicago Heights; malignant cancer. Said, "Brother Branham, I've prayed all-been praying for weeks that I could get here." And said, "I just got a little while."

⁵⁹ She'd been to the clinic here, and nothing could be done for her. Her husband was a great businessman there of some sort. And she said, "This morning early," said, "something told me to come to Miller's Cafeteria and stand here ten minutes after nine." There it was. I met her in Little Rock here a few weeks ago, just shouting the praises of God, perfectly normal and well.

⁶⁰ Went walking on down the street. The Holy Spirit said, "Stop here."

⁶¹ I told the wife, I said, "You all go on. They'll get you in the hotel."

⁶² She said, "Well, I'll cross the drug store over there to get some books." Coloured books, had to keep the baby in the room all the time.

⁶³ And I stopped and I went back up, looked at some fishing tackle, and I waited just a moment. I said, "Father, what is it You would have me do?"

⁶⁴ And I waited a few moments. I heard that Voice say, "Go down to the corner." I went down to the corner, standing at the corner. Said, "Cross the street." I went across the street and stand there. You people from Fort Wayne know how they direct the traffic there. And it...On a Saturday morning...

⁶⁵ And I stood there for quite a while. After a while I seen a lady crossing the street. The whistle blew many times. A lady crossing the street, holding a pocket book on her arm, and she was dressed in a checkered suit and a little checked tam on. She walked...Holy Spirit said, "Go close to her." I went and stood there. The woman may be in this meeting tonight, for all I know. And I stood right there on the corner, and she passed right on by, and went by. I thought, "That's strange. He never did tell me anything wrong."

⁶⁶ She walked about the distance of that pole. She was looking down, looking sideways, and she turned around, looked back, she said, "Oh, Brother Branham." She come back and she started crying, and she said, "I'm from Canada." She said, "I've followed all through Canada." Said, "I've come over here, was only allowed so much money. Last night," said, "I slept setting in a hotel lobby. And this morning I had one five cents for a cup of coffee." Said, "I was going out here to hitchhike home." Said, "I was just two squares below and the Holy Spirit said, 'Turn to your right.'" Said, "I went to the right and He said, 'Turn to your left,' and I was being led by Him." Said, "Turn around and see." And said, "Brother Branham, my hand's been crippled."

⁶⁷ And I said, "In the Name of the Lord Jesus, give me the hand," and here come the hand straight.

⁶⁸ A big Irish cop blowing the whistle said, "I know who you are, Brother Branham."

⁶⁹ Why, we had a prayer line out on the street in a few moments, it was just everywhere. What is it? Led of the Spirit of God, that's what it is, friends.

you take your hand and take hold of my coat like that, real easy?"

³¹ He just started crying, his...hands up in the air, said, "That's right Brother Branham, and I asked God last night, if that was so, that He would confirm it, and about a half hour ago He told me, 'Get up and go down on the street.'"

³² And in just one-second's time and I would have missed him. There it was confirmed of his healing. How God works in mysterious ways.

³³ I went up, met Brother Moore, Brother Lindsay and them. We went downtown. He was going to walk me around just a little, for the Spirit was still anointing. I keep walking lots of times that way, cause I can't be still then. Went downtown, we was standing looking in the window, and I said, "Brother Moore."

Said, "Yeah."

³⁴ I said, "Now, on the road back there'll be a man with a dark suit on and a light hat step out of the building, ask me to go pray for his wife. Only I can't do it."

He said, "When will that happen?"

³⁵ I said, "Sometime this morning," I said, "because when the vision came it's the same morning."

³⁶ And we'd been gone about a half hour after that, we turned around a corner; stepping out of a store came a man with a black suit on, a grey hat. Took his hat off and said, "Brother Branham, I'm so glad to meet you." Said, "I've got my wife upstairs here."

Jack, Brother Moore said, "What about that." We went on in.

³⁷ Brother Baxter, the next manager... That afternoon we were walking, went downtown. Standing there on the street. I said, "I see two women dressed in dark, that's coming out of a store, will stop us pretty shortly, Brother Baxter." And we'd gone just about two squares, and I was looking in a man's store at some ties. And just then coming out of the same store came two ladies dressed in black. And went up to us and begin to hold their hands. They couldn't talk English, but wanted a discernment of Spirit of what was wrong with them, on their hand.

³⁸ Brother Baxter said, "Well now, those things happen all the time." But I don't mention them, friends, unless it's something that will profit or benefit, something like that.

³⁹ Now, many times that Christians praying...There was a lady set here last night, had a little baby...Many of you here probably was here last night, when the lady I was hunting for, with the little baby, you remember that? Now she'd been in prayer about that, and in the room I saw her. I couldn't make out just what kind of a dress that was, but I seen she had her hair braided and blonde-headed, and had a little baby. And the Lord had showed that the baby was to be healed, and the baby was healed before we left the building last evening. Now, it's wonderful!

⁴⁰ Recently, in Fort Wayne, we were having a meeting. How many's ever been... Was anybody here was at the Fort Wayne meetings? Somebody, perhaps... Yes, here's two, three hands was here at the Fort Wayne meetings. Marvelous crowds gathered. B.E. Rediger, how many ever heard of B.E. Rediger, years ago? Paul Rader wrote his song Only Believe in his meeting there, where... Mr. Rediger had some daughters... He's gone on to Glory quite a while ago. One of the nation's most outstanding man on Divine healing.

⁴¹ I just returned from Pensacola, Florida, where I had the largest altar call I ever had. Two thousand at one time gave their hearts to Christ, one altar call. And I just come home and I'd entered into the little church that morning; there was packed several hundred around the church. They was trying to get me out and someone told me, said, "A girl, a psychopathic case laying back in the coal shed of the church."

Said, "Mrs. Rediger."

I said, "Mrs. Rediger, what relation are they to B.E. Rediger?"

Said, "That's his daughter."

⁴² B.E. Rediger, a warrior of God, resting in Glory, and his daughter a mental case. His other daughter died in the same condition. She'd been a mental case in the institution for about two years.

⁴³ There she was, her mother trying to hold her. Beautiful young lady, her hair down, setting back there, and just hold her, her eyes staring. I walked into where she was, and she began to move back, kind of mumbling her mouth like that, saying something about "penny" or something 'nother, and moving back like that. So, Mrs. Rediger looked up, and I said, "Oh my, is that Brother Rediger's daughter?"

Said, "It is."

⁴⁴ I said, "Dear Lord Jesus, have mercy on the girl," and asked for that power of the enemy to leave the girl, and a moment she was to herself.

⁴⁵ And today I got a letter, she's going to be married in August. How glorious, out of the mental institution! And how glorious it is to find His leading.

⁴⁶ There in Fort Wayne they had found out what hotel I was staying in, Indiana Hotel, and the people had crowded in their lobby till we had to hire one of the bell boys to give us a way to go out and down to the alley, over an ash pile, to get something to eat, so many people in there, crowding in.

⁴⁷ Then of all a sudden one day, we was going down the street. My wife was with me, had the baby. I had my coat collar up. It was... Going down the street packing my little girl. We were going down to the place called, I believe, the Hoddle House or Hobble House or something, where we were eating. There's where Mr. Eaton of Canada had met there in a room that morning. Been at the meetings to be healed of a stomach trouble and God healed him down in the tabernacle a few days later. He's... Wouldn't come to where I was eating that morning, he just paid for my breakfast.

⁴⁸ The next morning going down, walking down the street, something said, "Turn to your left."

⁴⁹ Mrs. Morgan, twenty-one year graduate nurse, my first case of cancer ever felt with vibrations. Weighed thirty-seven pounds, brought into the meeting just nothing but skin and bones. Weighs a hundred and fifty-five now, in perfect health. The doctors, the best there was in the nation, told her she had just a few days to live. It went all through her. Just opened her up and sewed her back. Cancer just took to her; malignant. Nothing could be done, couldn't even put a knife on her, no one... to operate. Now she weighs a hundred and fifty-seven pounds in perfect health.

⁵⁰ She was going along, kind of help me sometimes with the sick, going along, like that, because she's a very brilliant woman.

⁵¹ And we were going down and something said, "Turn to your left." I heard it just the same as you hear me. I turned to the left.

Margie said to my wife, said, "What's the matter?"

Said, "Now, just let him go."

⁵² I went on down. We went walking down to the left. I stopped in front of a place called Miller's Cafeteria. I wondered why. Something said, "Go in here." I went in the cafeteria, got some little breakfast, some prunes and so forth, and set down.

⁵³ My wife said, "You're sure, in a big place like this, to get trapped."

⁵⁴ People gather around, and I started to eat and as I asked the blessing, I heard somebody say, "Praise the Lord." I looked over and a poor old mother was raising up, wiping her eyes.

⁵⁵ Margie said, "You better go." Said, "If you don't, the whole group..."

I said, "Just a moment. It's the Holy Spirit leading."

⁵⁶ She come over there and said, "Brother Branham," said, "I followed meeting after meeting trying to get my brother in the line, I couldn't do it." Said, "His heart's got so bad now it's pushed to the diaphragm." Said, "We was examined a few days ago before coming down," she said, "he just has a little while to live. We sold our cow to get the money to come up here from Texas." Said, "We'd been to several meetings. We sold all we got." Said, "I seen I couldn't get it. There's too many there. I've had cards several times but the number's never been called," she said. "But I was praying last night, all night, and fasting," she said, "and about daylight this morning I woke up and I had a dream, and I dreamed that I should come down here to the cafeteria and wait at nine o'clock."

I looked at my watch, and just exactly nine. Said, "Bring him here."

⁵⁷ You know what happened, don't you? The Lord marvelously healed him. Leading of the Spirit. He works on both ends.

⁵⁸ Then, going out the door, was just leaving... Went out the door about two minutes after, didn't eat. And a young lady standing there fell down on the
