Introduction

The remarkable ministry of William Branham was the response of the Holy Spirit to the prophecies of the Scriptures in Malachi 4:5,6, Luke 17:30, and Revelations 10:7. This worldwide ministry has been the culmination of many other Bible prophecies, and a continuation of the working of God by His Spirit at this End time. This ministry was spoken of in the Scriptures, to prepare the people for the Second Coming of Jesus Christ.

We pray that the printed Word will become written in your heart as you prayerfully read this message.

While every effort has been made to provide an accurate unabridged transcription, the English audio files are the best representation of the sermons spoken by Bro Branham.

Audio and transcribed versions of over 1,100 sermons preached by William Branham are available for free downloading and printing in many languages at:

feel all right now, lady? Amen, God bless you. Your little friend there, she reached over and got a hold of the other lady's hand and was holding her. Sister, what's your prayer card...what's your number? How far back are you? What say?...Stand up, sister. [Brother speaks, "Lady with black hair, she has a tumor."—Ed.] Is that right? ["She shakes her head, 'Yes.'"—Ed.] Do you believe that...You go on praising God and say, "The tumor left." Go down from the meeting you will be whole. You believe that? [Brother speaks, "She shook her head, 'Yes'. Hallelujah!"—Ed.]...Let's say, "Praise the Lord."...[Brother speaks, "She's sitting there weeping. She's weeping her heart out."—Ed.]...

⁹⁴ You believe with all your heart? Stand up just a moment...Don't have no doubt. [Brother speaks, "This is a grey-haired lady."—Ed.] You believe in Jesus Christ and that this is the Spirit of Christ moving in our audience tonight? [Brother speaks, "She says 'Yes.'"—Ed.] You believe in prayer and the spirit of prayer? All right, your heart trouble has left you. [Brother speaks, "Heart trouble. Praise the Lord, hallelujah!"—Ed.]...That's what you had, wasn't it? [Brother speaks, "She shakes her head, 'Yes.' Hallelujah, God showed her."—Ed.] 'Course, you don't have it no more, you're healed...gone now. You're healed.

⁹⁵ Now, here is a kindred spirit to it, right here now. Now, watch this just a moment friends. There is somebody who must be the patient. Right here in this woman setting on the end with a white dress on. Aren't you extremely nervous, sister? It is a nervous trouble? Yours is also, isn't it? Nervous? All right, both of you go home and you're healed both of you, of nervous trouble. That kindred spirit...[Brother speaks, "Yes, he picked a man out the audience...or a woman out of the audience, and a man with depression on the platform. Both healed at once."—Ed.]

⁹⁶ God bless you now. You can be happy, rejoice and say, "Glory to God." Let's say, "Praise the Lord!" Oh my! What more could be done? This young fellow sitting here bowed his head like he was crying...but the young man sitting there has a skin eruption, don't you brother? It's been bothering you a long time? Jesus Christ makes you well young man, that's going to leave you. [Brother speaks, "Hallelujah, that brother raised his hand; admitted that it was a skin eruption. Now he's weeping. The Lord is blessing him wonderfully."—Ed.]

⁹⁷ Believe with all your heart. How marvelous! You're believing? Oh, I am looking for Him to come down and heal everybody right now. Can't you believe that? Oh, mercy...Howdy do, sister...[End of tape—Ed.]

Take The Rod And Gather The People

¹ Good evening.

² Thank you. I am happy to be here tonight. Say, you're always happy. Yes, that's right. Since I found Jesus, I have always been happy. Are you happy? [Congregation responds, "Amen."—Ed] He makes us happy. Excuse me...[A brother adjusts the microphone for Brother Branham—Ed.] Thank you. Either my voice weakened or this, so he said "Stand close."

³ All right. We are very happy to be here, the closing night of the services. We trust that God will do the great, marvelous meeting tonight. I am sorry that this is our last night. I mean that from my heart; I am. The only bad thing about these evangelistic services like this is when you have to say "goodbye." That's hard. I just begin to know you, just like when we get acquainted and to some of the people here that's wrote to me and so forth, and I never had the courage to even shake their hand, and I was just gone. I wish I could.

⁴ My work has always been rush in to speak and out, but I found Cleveland to be one of the nicest places I ever had, this group. The...Everybody has been very, very nice. And I certainly appreciate that, and my prayer is this; that God will bless you all for it, to give you an old-fashioned revival that will just...many hundreds of thousands of precious souls be brought to the Kingdom of God.

⁵ I want to pay tribute to my brethren here, co-operating ministers, each one. What a fine group of men they are. I am so happy to know that these people of Cleveland have such a...as this in this city, preachers who fight for their souls. I pray that God will send something, if not until this night but He will tonight that will inspire them. That will send them out like it was first conversion just all on fire for God. May revival break out everywhere through the country.

⁶ I want to get...five cities if I can...Cleveland, many of those places like that before it is too late. I feel we are nearing the end of the road. I mean that with sincerity in my heart. I believe we are nearing the end of the road. I don't know just what to do...So many places to go and revivals to be...[Blank spot on tape—Ed.]

⁷ ...That which the Father showed him to do and that was for me and you, virgin born Son of God. And He was limited to what the Father said, "Do." And the Father was limited to your faith. Is that right?

⁸ So it lays within you. Whatever God would do will have to come through your faith. The woman...said, "If my faith can touch Him," she believed she could touch Him. Now, there was many people touching him, but she believed in her heart; for she said in her heart, "If I may but

touch the hem of His garment, I'll be made whole." As she believed.

⁹ And now, at the closing of these services and I want to say this: that it is so hard for me to try and get the message to the people in the way that it should be, for I'm afraid that in my congregation many skeptics who believe it, many critics and they will get the wrong impression when you tell them. And I do not wish that... There the... When you tell them the real way that it is, it causes people to try to think that you are trying to get people to look at you as an individual, a human being. If I would do that, if that would come from my heart, I believe... ever be.

¹⁰ I believed if I could try to get some individual to look at me, to believe me for... I believe that I would pay for it... that—that's right. But yet, it is so close there to what you have to do in order to be healed, the truth is, that if you spoke it out the people would get the wrong impression. Because they have... you see... if you'll get the... The people that crucified Jesus Christ believed in Almighty God, is that true? They were very zealous of God, the Jews, the religious, holy, renowned men, crucified the Son of God because they did not believe that He was from God.

¹¹ And no matter how much faith in Jehovah God, they had to believe in Jesus being His Son in order to receive anything from Jehovah God. They had to recognize Jesus, the Son of God before Jehovah could help them. Is that true? He told the Jews, He said, "As you have believed in God believe also in Me." That right?

¹² Well now, if you will catch the message... that the Angel of the Lord told me, "If you get the people to believe you..." You see it? "Get the people to believe you, and be sincere when you pray, no disease shall stand before the prayer."

Now, I ask the person, "Do you believe me?"

¹³ They say, "I believe God." Well, that's what you should do. But if you believe God and don't believe this, it won't do you any good. Now that is hard for a man to say that way, but it's the truth. See. Don't believe me as Brother Branham, but believe that He sent me for this purpose.

¹⁴ Then when you believe me, you believe what the Angel has come for, that He is the Angel of the Lord. And when you recognize Him to be that, I am just His voice. He is a Supernatural Person, I am natural. You're hearing Supernatural through the natural man. In other words, I speak His voice, He uses my hands, He uses my eyes to see visions. He uses my ears. Just as the Holy Spirit uses you, when you're praising God, it's your voice, when you're lost in the Spirit praising God. See what I

Now, it did not leave her... you may raise your heads, everybody, won't you.

⁸⁹ I wish to talk to the lady. Something is wrong. Now, look, sister... move your hand... I want you to look at my hand. Looks like any other man's hand. Now I want you to watch when you put your hand on mine, what effect that'll take... dark red and white streaks. First place this hand over here... this hand here... [Brother speaks, "Now her right hand is on his left hand. She sees the change."—Ed.]... looks like it's going to burst... I believe this when we move your hand see that leave you... All right. Now, watch you take your hand off and I'll put mine. And I'm just as much human... Can you see it? Can you see it? Now you are just seeing what I have said through this microphone. If that the truth, raise your this hand up so the people will know that it's true.

⁹⁰ Now, see how it's moving? Now there... watch it's moving. Now here it come again, here it comes again. It's just in waves to go over this... Now, she is standing right here in... to be the... there, coming in... there it is, why that's—that's your body...?... a germ...?... and a germ is alive. You came from a germ yourself and that germ is alive. And when you, as a human, and I as a human contact, and this spirit that's here and that spirit there that's giving you tuberculosis... knows that the hour is near, pushing back, you see. And the spirit goes out... Now, if I can get you out on this... to believe just right that will stop... That's right.

⁹¹ And you give praise. Now you see something that happening here... All right, I want you to watch my hand, believe with all your heart. Now look, you will make a complete surrender of your life. Live for Him just as reverent as you know how to live the rest of your days. Now watch. There it is now, sister, without being picked, there it is there. Now you can come up and examine it yourself. Now look, now, something has happened, hasn't it? There, the same hand, look there is not a sign nowhere, is there? Now here's the lady... is that the truth lady? So they can hear you. [Sister responds, "Yes, that is the truth."—Ed.] See, not a sign, the same hand that never even moved it there... You're healed, sister. Go on your way rejoicing.

⁹² Let's say, "Praise the Lord," everybody. [Congregation rejoices. Brother speaks, "The Lord healed that lady as she was talking."—Ed.]... believe Him with all your heart. [Brother says, "There is a young woman, about twenty-two, twenty-five years old—Ed.] ...you were already healed. Christ has healed you. God bless you sister. Let's say, "Praise be to God." God healed her standing right there on the platform. Let's give God praise like this [Congregation applauds—Ed.]... Amen.

⁹³ He is the Lord. No one can touch except Him to be... make well. You

you? You're a believer. [Brother speaks, "He is picking another one out of the audience."—Ed.] Yes, I know what's wrong with you. Stand to your feet. If Jesus Christ will heal you and make you well, will you believe Him? Will you serve Him? For all these weeks you've been this way for quite a while, haven't you?...?...Have faith...wish you could get up and walk...Somebody would have to help you if...but Somebody is here to help you, that's the Lord Jesus Christ to support you with...

⁸⁵ Did you ever see a person that's possessed with demons? They're many times their power because the devil has given super power. If the devil can give a man five or six times his power, what ought the Holy Spirit to do? A million times your power. He is your strength and your help. You believe that? Have faith in God. And you do this for me, the first time, from now and this time on, when you feel something move through you, when you do that you come up of a there go on home. Be in prayer. Now, I am leaving that to your faith in God. When you feel in your heart that God has blessed you and healed you, I speak what's wrong...But I can't tell you just...or I couldn't tell you, "You are healed," without I see you are healed. When it turns light around you, then I know you are healed. Then it's over. Oh isn't He marvelous? The Holy Spirit...everybody be just in prayer everywhere.

⁸⁶ What's the matter...next to the lady, I wonder if you can...you got a...in your heart...you're trying to find out. I don't know just what it is yet, but I see you're trying to contact God. There is two or three setting up in here trying to find it too...all right everybody...Everyone have faith now.

⁸⁷ Now, you realize that's Him...but you realize that also that your...Something is happening to you. You feel real strange, isn't that right? Because of the Presence of His Majesty; Spirit of God. You need Christ, sister, don't you? You know what I am speaking. Look, you're a tubercular case, aren't you? [Brother speaks, "This is a tubercular case, she admitted she was."—Ed.]...you believe me with all your heart? [Brother repeats Brother Branham's question—Ed.] You do as I will ask you to do? [Brother repeats Brother Branham's question—Ed.] All right.

⁸⁸ Our Heavenly Father, something is strange about this case, I do not understand just right. You started the vision going, and then You stopped. May her faith be to the spot to where it should be for her to get well. Forgive every sin, and I pray that You will bless her, and heal her, and make her completely well. May she be a great testimony in her church, place which she should attend and out on the street and wherever she goes. Grant it, dear Father. May this demon of tuberculosis leave her now in the Name of the Lord Jesus Christ, come out from the woman.

mean?

¹⁵ And if I should try to use one speck of my own voice, it would be wrong. I must depend fully upon the Holy Spirit, on the Angel of God. Therefore, I only can speak as He speaks, and He can only speak as you believe.

¹⁶ Now, I do not expect everybody to healed, in this fellowship. Many people are very dedicated to God, very dedicated to the church, they believe their church. That's right. They believe God that...But as far as a supernatural being operating in a human being today, that's beyond anything they can fathom. But that's where the truth is. Now, that is the truth, friends. God is my supreme Judge. That's where the truth is mapped out...

¹⁷ People have their own ways drawn out to say what they think it's going to be and the way it's going to be, and unless it come just according to that, they won't believe it. And that's the reason they had their way; they thought the way Jesus was coming first...they had it all mapped out. He was going to come in, take over the Roman Empire and scatter everything and set on the throne of David. But He didn't come that way. And God usually brings things different than what people have got mapped out in order to deceive the wise and prudent, and to reveal it to babes such as will learn.

¹⁸ Now, why I am here is this, why I drove up here for tonight...I am going to New Albany yet tonight, beginning at Kansas next few days, then over to California, down...back up through northern...into Jerusalem, and little weavers from Jerusalem until meet a few days in Jericho.

¹⁹ Just come about a millions of New Testaments goes to Jewish people, I would say for twenty-five hundred years it's been in your...newspaper, the Jews are returning back. They read these Bibles in the Hebrew. Well, if this Jesus is the Messiah, we look at the Word, it looks all right but let us see Him move, do a sign...heart of Jews, Jesus said, "Except you see a sign you won't believe me." They are wanting to see Jesus of the Bible do a sign for them to prove that He was the Prophet sent from God. Oh brother, sister, in your prayers don't forget me, that when I come before those Jews to get them assembled together, that Jesus will come down and do signs and wonders of the prophets, that Israel might believe on the Lord Jesus. I believe there will be thousands of them saved...

²⁰ We're nearing the end of the time. You people are the ones that are sick, you're the ones that's in need, and I am the one that's been sent to

pray for you. I will have to answer for what I tell you, therefore, I must be sincere. And when you see God performing any miracle at the platform here, just remember that what He does here, He wants to do there, down there, out here, here and over here. He wants to do it everywhere. Please believe me tonight.

²¹ And if you see Him working, if He tells someone here on the platform the things of their life, remember, He knows everything that's in your heart. Do you believe that? He knows your thought before you think it. That's right. He knows all things.

²² And He is here tonight just as He was in the days when He stood by the Pharisees and perceived their thoughts. Just the thing that He told Philip when He brought Nathanael, He told Nathanael, "I knew you before Philip called you, when you were under the tree, I knew you."

²³ He told the woman at the well her sin. He put His finger into a deaf man's ear, spit, and the man could hear. What about this for health rules of the day? Get the original Greek of the Bible, when He had the blind man, his parents talk to him, He was spitting on the ground, talking to the man and the Word that He was saying over His lips, the saliva in His mouth, spitting on the ground. Just kept spitting on the ground. And when He spit, a great big bucket of spit on the ground, picked it up in His hands of mud, and made a cake and put it over the man's eyes, told him go wash in the pool of...

²⁴ What would the health rules say about that today? But Jesus did that, and a man obeyed what He told him to do, and he came back receiving his sight because...not because of the spit, not because of the mud, but because he believed what Jesus told him was the truth. That right?

²⁵ Now that's what you got to believe today. Believe it with all of your heart. Believe Him tonight. Believe Him right now. I see your sister...and how that God wants to heal both of you right now.

²⁶ There is no reason...everyone of you but would be healed right here tonight, that would be healed right here. Now the only way I will know them from you is because I see...

²⁷ The very God that created the Heavens, that made man to hear and speak, is in the building now, and can make the Holy Ghost speak...And now, many of you here no doubt are suffering...I do not know, they never told me where the prayer line...that I cannot tell. But I know this one thing friends, I do not know very much, but what I do know I know that it's the truth. That's all that I can say. And if God doesn't confirm that to be the truth then I have told wrong. But if God stands with the truth then I have told the truth, that's right. Now that ought to be fair to anyone,

say, "Praise the Lord." All right the Lord...Let's say, "Praise the Lord." [Congregation says, "Praise the Lord."—Ed.]...

⁷⁸ What happened? The woman was told of her condition, and a deaf spirit that...which went off of that woman...a few moments ago and several like her. There it was. When she first walked up I could feel it before I even took hold of her hand, and setup on her and was setting there. My, be reverent friends, everybody, bow your heads. Now, if...

⁷⁹ Was you anemic? Have you been anemic? That's all right. I know that spirit has left her...Stand on your feet, Jesus has healed you of that anemia condition. Amen. God bless you sister. Amen. Now I know that spirit that went off the woman here, that anemia, it went. I didn't know whether it set upon that woman before...you was anemia in the first place, is that right? All right, Jesus Christ gives you a transfusion tonight; you can go now and be well. God bless you. All right...Why, let's say, "Praise the Lord." My, I just feel His Presence near. Let's say, "Praise—," let's praise the Lord. [Congregation says, "Praise the Lord."—Ed.] Yes sir, He wants to be praised.

⁸⁰ Will you obey me as God's servant, sister? You will? Go off the platform rejoicing. Be healed of that arthritis then...that the way [Brother says, "She's dancing! Healed of her arthritis! Glory to God!"—Ed.]...working among His people, and being healed. He will do it if you will just believe Him once. Now really...

⁸¹ Truth my friends, the Holy Spirit, the Angel of the Lord is just coming in yonder and anointing wondrously. I see it moving everywhere. That's the way. This lady here, arthritis is what got you wasn't it, sister? You, setting in the wheelchair; arthritis. I was talking to the other one over there, was arthritis...

⁸² Young man, now, I don't know...but God can reveal what's wrong with you...Now, I can tell the action of this is arthritis here. From the way...no yours is not arthritis; if I am not mistaken yours is multiple sclerosis, is that right? If it is raise your hand. That's right, that's right. All right, I can see the way it is...Have faith. King George of England was healed a few weeks ago of multiple sclerosis.

⁸³ This last brother here, I might not be able to say what's wrong but Christ is your healer. Have you confessed everything, everything that you know of, to live right before Him? Just keep praying cause He is dealing with you now, that's right. Now, just be real reverent. Everybody just believe God. [Brother speaks, "He picked that man right out of the audience."—Ed.]

⁸⁴ I don't know what's wrong with you, but if...you're believing, aren't

back. Be reverent now, the woman doesn't hear any...she is a little hard of hearing, and she...She has kidney trouble...Now, everyone be real reverent while I ask the Lord Jesus to heal this woman. Of course she—she's got...has been for a long time.

⁷³ Our Heavenly Father, we come to Thee in the Name of Thy Son Jesus, asking that You will bless these who we bless. And this poor woman here, walked up here sincerely. She come and waited, justly, honorably, received the prayed card,...but has come that she might be healed. And it is our lot tonight, as they casted the lots; the Jews and disciples both...The cast of the lot tonight fell that this woman must be brought to the platform.

⁷⁴ Now, standing here, Your Spirit has discerned the diseases and troubles of her body. Now, I asked Thee as Your humble servant to make the woman whole, as all the people are looking on, many in great admiration of the Spirit of God that is in our midst tonight. Knowing that now they can go away and speak for You, and say, "Oh, I know that He's here. I was right with him when the Presence came down and keeps perform miracles." They'll not be ashamed to stand up for that which they've heard preached and that which is right.

⁷⁵ And now, Father, help our sister. Liberate her from this bondage...give Thy servant faith to challenge the enemy. Now, spirit of infirmity, I adjure thee by Jesus, the Son of God, come out, for her faith has healed her...[Brother speaks, "Ring in her ears then she nods that she can hear what he says."—Ed.] Now all your afflictions has left you, my sister, you're healed. Go on your road rejoicing, thanking God. Let's say, "Praise the Lord," everybody. [Congregation says, "Praise the Lord."—Ed.] Now, that might not mean much to you, but what if you had a tumor in, and remember tumors can become malignant. Hers was, thankfully, not malignant. Want everyone be reverent and let's pray, bow your heads.

⁷⁶ Oh Jesus, the Son of God, Author of Life, the Giver of every gift, send Thy blessings upon the woman and make her well, that she may be healed tonight, go away from this building rejoicing and happy, praising Thee for all Your...Hear the prayer of Your humble servant. May the power that has bound her, turn her loose in the Name of Jesus Christ, the Son of God...Do not open up or raise your head cause it will go right from one to another...

⁷⁷ Oh, Eternal God, Author of Life, realizing that by faith alone are we healed. I pray that You will give faith now to Your servant here. May in the Name of Jesus Christ, the spirit leave the woman, come out of her...Why don't you raise your hand, sister. All right, raise your hand and

isn't it?

²⁸ Now, a while after I am gone, remember this, if you hear anybody say that 'Brother Branham, the Divine healer', you correct that right quick. I am not a Divine healer. I am just your brother and I have come here to pray for you. And God has proved that what I have told has been truth.

²⁹ Death here, here, here...signs and wonders done each night, miracle after miracle to where it is...If I could stand here and point somebody out under the inspiration of the Holy Spirit and tell that person what they had in their body, what it would be, one person anywhere in this building, it would be a miracle. It would have to show that it was somewhere under the Supernatural, God in heaven that knows what you have...most things you have done down through life's journey that...sickness, any of you sitting up there I just want to tell you, or out in the area, it would be a miracle before God. That would to me, that ought to believe the realization that God...to you. Don't forget it...

³⁰ I used to say this to my audience, "The night will never be too dark, the rain never falls too hard, unless I would come to you." I wish I could say that right now. But my, there is so many thousands that heard, I can't make that statement.

³¹ But I say this, that wherever God send me, I go. If I could be right here right now, just this meeting waiting, and the Holy Spirit leads me to take a plane and go to across the sea, I would go right out now and get my ticket, I would never waste a...I would tell a minister brethren just to pray for the sick; I would leave. You...Obedience is better than sacrifice.

³² God bless you all. Write to me, send and get one of those prayer cloths, absolutely free to you. It's post office Box 325, Jeffersonville, Indiana, or just write my name, William Branham, Jeffersonville, Indiana. I will pray over the cloths and send it to you. Do all that I can to help you. And don't forget to pray for me. I hope soon I can come back to you again, pray for you. I hope you get that great big tabernacle that you're talking about. I will be your associate pastor, if you get the tabernacle I...Can I be the associate pastor, brother? [Congregation applauds.—Ed.] Thank you very much. That's very fine, thank you.

³³ I'll do all that I can to come back...pray for those people. God bless my brother and sister everywhere. I want to read just the Scripture and then we're going to start the prayer line right away. Over in the book of Numbers the 20th chapter beginning with the 7th and the 8th verse inclusive, I wish to read these words:

And the Lord spake unto Moses, saying,

Take the rod, and gather thou the assembly together, thou, and Aaron thy brother, and speak ye unto the rock before their eyes; and it shall bring forth his water, and thou shalt bring forth to them water out of the rock: so that thou shalt give the congregation and their beasts drink.

Can we bow our heads for a moment.

³⁴ Heavenly Father, kind of hard for me to say goodbye to this lovely audience of people that's been so kind to me now for this three weeks. Constantly blessing me and giving me their support in the Gospel; standing by in the hours when we needed help, they have prayed and held on to God. We are so thankful for them. And now I've come tonight, as far as this meeting is concerned, to minister to them the last time this meeting.

³⁵ I have tried to do all that You have showed, and I pray, God, tonight, that You will send the Angel down into our midst, that He might move by the Holy Spirit up and down through these aisles everywhere. May faith just be great that many, many, many people tonight might be healed, brought closer to God. Thank You today for this great altar call, and those kneeling in the floor seeking. You said, "Seek and ye shall find, knock and it will be opened, ask and it will be given. Everyone that knocketh it opens, to everyone that seeks shall find."

³⁶ Create such a hunger and thirst in our hearts; no one will have rest until they have found Christ. Speak to their hearts while we are...help us now tonight, Father. We stand here to minister to those who are in need. I pray that Your Spirit will be here to anoint Thy servant for the service, for we ask it in Jesus' name.

³⁷ Gather the people together and speak to the rock. I am going to try and start the prayer line in about five minutes. So we have all the time...everyone to be prayed for tonight. What I am speaking for now, is trying to find when the Angel of God is coming near.

³⁸ Moses that brought the children of Israel through the wilderness, they begin to chide against God and Moses. And God had called their hand on...Sent fiery serpents among them and bit the people. And then God made an atonement for them through a brass serpent, they looked upon the serpent and lived. The only way they had to do...The serpent could not pray for them. They looked and lived.

³⁹ Did you notice this, brothers and sisters, in the Bible in First Corinthians 12 where the gifts are made known, when it comes to healing it's in the plural; gifts of healing, prophecy one. But when it comes to healing, it's "gifts of healing." Many different ways God does

⁶⁷ Our Heavenly Father, You're here to make known all things and there is nothing but what You do know. Here, all know that, Lord, that You're God. There is no secrets nowhere. And now this woman standing here, perfect stranger, never seen her in my life, but feeling the Holy Spirit near and see her walk up here. Rather mysterious to her to see what was happening. And then to be able to...look down through her past life, and tell her the very things of her life back there. Tell her of her trouble and what's wrong with her.

⁶⁸ Oh Christ, that's what makes us feel happy. You're here manifesting Yourself. And now, Father, she has made this confession to Thy servant, knowing that she was not making it to me but You, believing that You're here. And I am asking You with all my heart to heal her tonight. May this trouble leave her and may she be perfectly normal and well. May her testimony be great...may she even witness to souls...For we ask it in Jesus' name. Now, demon that has bound the woman, in the name of the Lord Jesus Christ, leave her. All right, you may raise your head audience.

⁶⁹ Now I, by God's grace was telling you what has been. I tell you what I want you to do. I pray God never give you rest in your soul until you have really surrendered completely to Him. I believe that you will do that right away. Your heart trouble would never be gotten...it's left you. Now, you go and give yourself completely to Him, live a victorious life, forget about all your surroundings and what people is telling you, don't listen to that. You go listen to what I have told you now. Live happy and God bless you my sister, God bless you. Thank you, sister dear.

⁷⁰ Let's say, "Praise the Lord," everybody. [Congregation says, "Praise the Lord."—Ed.]...That's all right. You want to say, "Praise the Lord," like that, that's okay. Look, God is an object of worship, and He must be worshipped in Spirit and in Truth. Is that right? And when you were out in the world, well, my, you just say everything, laugh and cut up and clap your hands for nearly anything and...God bless you sister. She passed by and said a word of encouragement to the lady laying here...Isn't that wonderful when you go to tell someone else about it.

⁷¹ Now the lady knows that I did not know her, never seen her in my life. But when she come here the Holy Spirit...revealing...in her life, telling her right now what she committed...and God makes it known. You believe that? Alright, believe it now. Watch and be reverent. You have to be reverent in order to receive something from God. I am trying to find out...somebody...and I really believe they are healed...

⁷² [Brother speaks, "This is an elderly lady now, number 2, diagnosing her case."—Ed.]...in the other...she gets weak in the back, weak in the

a number. If you can't make your way up here, just when you see your number is called, then you do...then you raise up your hands and I want some of the ushers to come and we'll get the crippled as their numbers are called.

⁶⁰ Now, while you are lining up right over here on the right, let those from, beginning with number 1 to number 5...15. All right, looking at fifteen persons. Numbers 1 to number 15 line up first.

⁶¹ And now, look at this lady here in the wheelchair. Somebody see what her number is. Is that 4? And the man sitting there with the cane in his hand...see what their numbers are...then you...Just stay here so you can help...They are...very lovely...?...So they can't get up? We...Don't forget to pray, be in deep prayer...

⁶² You don't know how that just makes me feel. I stand here, I am looking at some old mother, she looked at her prayer card and she turned it over. Her number had not to be just that, she looked very much disappointed...and she looks tore up, don't know what to do, but Jesus knows all of it.

⁶³ It's this lady setting right here...don't be discouraged. Have a good courage. Believe with all of your heart...you don't have a prayer card...You've prayed real hard, a little boy...be of a good courage. I believe Jesus is going heal you. Everybody just as reverent as possible.

⁶⁴ [Brother speaks, "Number 1 is before him. He has her hand in his."—Ed.] Can everyone hear while I am talking back this far? Can you hear all right? I will try to get as close as I can. Can you hear that all right, say, "Amen." I can't find nothing wrong with the lady here cause it's just a little...[Brother speaks, "He's looking at his hand now. She's a middle aged woman, she has grey hair, she is dressed in black."—Ed.] You believe with all your heart?...[Brother speaks, "He asked her if she believes with all her heart. He is still looking at her hand, saying something, I can't un...can't make out."—Ed.]

⁶⁵ You feel a real strange feeling going over you, that's because...[Brother speaks, "He's diagnosing her case, talking to her still in a soft tone."—Ed.]...being able to tell you what is wrong with you and the desire of your heart, the things that's wrong with you, things you have done, you think then that God would let me know what would be your future...You believe that?...Yes sir, that is right.

⁶⁶ All right, I am going to ask our Lord Jesus, upon that confession to heal you and to make you well, and then to direct me in my thoughts. Not let me use my mind, but His Spirit to use my mind to tell you now what's for the future, you'll believe me. All right brothers, let's pray.

it and He has always, since the beginning, as far as we know, has had a way for healing. Divine healing for His church, has...Is that right?

⁴⁰ In the journey through the wilderness, plumb back in the days of Abraham, how He healed Sarah from being barren. He's been the miraculous working God all down through the ages. And if He has been down through the ages, and then coming here to the closing of all ages, should He belittle Himself and weaken His power and say, "There is no more to it?" God forbid. He is more mightier now and promise to be than He ever was through the ages.

⁴¹ Back in those days, why, there was—wasn't as many people. The gifts wasn't needed as much as they are now. Just think friends, that in the ministry that I have had for the Lord alone, I have seen many, many, many times more miracles performed than is written in the Bible. That Jesus Christ has done in these three years in one unit, one group of His ministry, one group He has done more miracles than been written in this Bible.

⁴² Everything that could be written in the Bible, except leprosy, that I know of has been healed. Even to three specific cases of people who, pronounced dead, are living tonight, healthy and strong. Who did that? Jesus Christ. "He is the same yesterday, today and forever." And He is here tonight.

⁴³ And He, Jesus, was the Rock that was in the wilderness that followed the children of Israel. And the rod that Moses had in his hand, it was not the rod of Moses, it was the rod of God; God's judgment rod. Moses held it out over Egypt and flies came up. He held it out and fleas came up. And wherever he done with this rod, it was a judgment rod. It brought judgment upon a disobedient people. And the rock was Christ; the Substitute for sin and sickness. And Moses took the judgment rod and smote the rock to bring forth water.

⁴⁴ Therefore, it was the judgment rod of God that smote Jesus and killed Him, the Innocent One, and brought...From Him flowed the Holy Spirit to a perishing people. Now that we can have life, no more do we smite the rock, but we speak to the rock. And watch the nouns and pronouns, see. He said, "Speak to the Rock and It shall bring forth His (personal pronoun) His water. Speak to the rock and It shall bring forth His water."

⁴⁵ Make it come more into light, they left garlic and onions to eat Angels food and was complaining about it. They had left the muddy waters of Egypt to drink from the Fountain of Life and were complaining about it. They had left the boasting physicians of Egypt to be with the

Great Physician and was complaining about it.

⁴⁶ They had left the bunch of people that believed the days of miracles were past, to be with a bunch of people that believed that all things were possible, and still complaining about it. Isn't that just like the church today? Come out of Egypt, come out of the world, out here in this glorious church of the living God, the first born. And because we have those trials, God asked His people meet Him a...and still complain about it.

⁴⁷ Now notice, another thing they had done. They left the people back there that had no signs to live under a Pillar of Fire and a Cloud, and was complaining about it. No wonder the water supply was cut off. That's what the matter with the church today! There is too much grumbling about things, complaining. Be satisfied and keep moving along, pressing on.

⁴⁸ And when the water supply got cut off, God asked them to, "Go speak to the rock, and It would bring forth its water." Now, tonight the only thing you have to do is speak to the Rock and it will bring forth His water. And if you are on speaking terms with Him tonight...How many is on speaking terms with the Rock tonight, Let's see your hands. Fine.

⁴⁹ Now, I want you to speak to Him, about your condition, about your body, and He will bring forth those healing waters of life. Flow them through you freely that you can be healed tonight. Can you believe that? God bless you, and make you a blessing to others.

⁵⁰ Now, where is the sick people? I believe it's from this aisle, and this aisle and out here, is that right? Well, no it isn't. How many of you here is sick tonight, wants to be prayed for? Let's see your hands...I guess it...all right, thank you. This is the audience.

⁵¹ Now, look friends, you're the ones that sick and wants to be healed. Now, you get right down to business with God right now, won't you? Get right down and start praying right now, just saying, "Lord, in my heart, I will be healed, and You give me my desire." God will do it and you will get out there just well. Just look down here, what if you was crippled down here, sick and afflicted...

⁵² Now, remember. God can show anything but...through here, I can have anyone of you stand up, and if It would tell what's wrong with them...but that would not heal you. They have to accept Jesus as their healer before they can be healed. And now if you believe this, that everyone of you in here that's proved to confessed your sins is already healed according to God's Word by whose stripes we were healed.

⁵³ He healed us when He died for us. The medicine was put in the

cabinet; God's medicine cabinet. Did you ever read He had a medicine cabinet? Here is what He was, was He the Lily of the Valley? Where do we get opium? From the lily, that right. Lily is where you get opium. What does opium do? Soothes every pain. What makes the opium take effect like that? First thing the lily before it can become, get the fragrance out of it and the opium, it had to be crushed, mashed up and squeezed out. The opium comes from...Jesus, He was [Blank spot on tape-Ed.]

⁵⁴ And all the opium of that lily was squeezed out. God's got a great cabinet full of it tonight, and can, by faith, inject it into every sick person here. And you know when you all...when you got a little opium you just...Every pain is gone, every care has left. And when the Lily of the Valley and the opium in Him...well the natural lily you get over it soon and you have to have more opium. But this kind, when He injects this opium of His healing balm into you, you are healed! Every pain is gone. All sickness is gone, the deaf hear, the dumb speak, the blind see, the lame walk. Isn't that right? Well, He is the Lily of the Valley. He's the...?...He's the Morning Star...He's the Lord Jesus...Father here tonight...

⁵⁵ Heavenly Father, we come to Thee now to ask You to be merciful and to heal all that are to be healed, tonight. May this be one of the...nights that we've ever seen at the...till this time. May as many...May He show great signs and wonders. May the place be filled with the Holy Spirit tonight. May the Angels of God that are here right now down the aisle...for we ask in Jesus Christ's name.

⁵⁶ May the lady at the organ, whoever it is, softly play, *Abide With Me*. Everybody be just as quiet as possible.

⁵⁷ The other night...[A brother speaks, "He is taking off his watch now."-Ed.] in the prayer line the first person I laid hands upon was for a minister standing near me. I believe it was...I forget just who the minister was, one of the cooperating ministers. His watch dropped off my hand hit the floor, and I picked it up with a broken glass on.

⁵⁸ Everyone be real reverent...with a Bible. All of you believe with one heart now. Don't weary, just believe in the Spirit of the Lord.

⁵⁹ Now, the person...Prayer cards have been...All right those with prayer cards may have your seat. We are going to try begin with the number 1, quickly please. Number 1, 2, 3, first, then we will take number 4, 5, 6. If you like, we would like to have about ten or fifteen stand up first. Maybe we will choose another number then come back after we get back. Now, if you have prayer... You have a prayer card look at it, it's got
