## **Introduction**

The remarkable ministry of William Branham was the response of the Holy Spirit to the prophecies of the Scriptures in Malachi 4:5,6, Luke 17:30, and Revelations 10:7. This worldwide ministry has been the culmination of many other Bible prophecies, and a continuation of the working of God by His Spirit at this End time. This ministry was spoken of in the Scriptures, to prepare the people for the Second Coming of Jesus Christ.

We pray that the printed Word will become written in your heart as you prayerfully read this message.

While every effort has been made to provide an accurate unabridged transcription, the English audio files are the best representation of the sermons spoken by Bro Branham.

presence of the Lord is near to heal. Do you believe it? Look this way, audience. Now, look this way and believe that I have told you the truth. You shall see the glory of God.

<sup>160</sup> What do you think about it, lady sitting there? You believe me? Stand up just a minute, so you will be above that pull. You are a stranger, aren't you? You have no prayer card or nothing. You just walked in this meeting and sat down, is that right? You have had an awful life before you. Lot of weary, troubles. You have been studying here lately, isn't that right? That is right, exactly. And you're suffering now with a cancer, isn't that right? Go home and be healed in the Name of the Lord Jesus Christ. Amen. Hallelujah.

<sup>161</sup> All right, how about the cripple lying on the cot there? I am looking right between the arms there. Wait a minute brother, that lady there with her hands up. Laying there bound up on the cot. Look this way, lady. Do you believe with all your heart? Do you believe that God sent me here? You have no prayer card, do you? No prayer card or nothing. We are strangers, is that right? No way in the world would I have known anything about you except it be from God. Is that right? I am not able to heal you, sister, but if you will believe on what I am speaking or what is speaking at me now, you will get healed. You believe that?

<sup>162</sup> All right, you are just about dead, aren't you? You have a terrible tumor. That right? Won't you just stand up on your feet? Accept your healing. Come out of that...?...you have been bedfast for a long time. Let her friends help her. Get her up. Stand her on her feet until she receives strength. She can walk home. Take ...?...Amen. There she accepted it.

<sup>163</sup> Everyone, just a moment. Have faith now...?...Just a minute. There is a man sitting here...?...looking right straight at me. You have no prayer card either, do you sir? A little fellow. Say, I see something strange about you. Just a moment now. Maybe the lady in front of you here...just a minute now. Everyone reverent if you will. Now there is a pulling now...Over this way a little bit, lady. Let me see the man just a minute.

<sup>164</sup> Sir you, that is right, you. Say, you are bothered. You are crippled, you have got—you are crippled. You have a...Let us see. It is some kind of something wrong in your spine that has got you crippled up. Isn't that right? That is right. It is something like paralysis of the spine, is that right? Is that the truth? Why don't you stand up and accept Jesus Christ as your...There he is! Healed, praise the Lord Jesus Christ!

<sup>165</sup> Let the whole audience believe on the Lord Jesus and be healed, right now. Let us raise our hands, everybody, giving God praise. Heavenly Father, in the Name of Jesus Christ, we love You and pray God, just now that Satan would turn loose of everybody in this building, and they will be healed.

## As I Was With Moses

<sup>1</sup> Good evening, friends.

<sup>2</sup> I am awful sorry I was late tonight. I just was praying and got just kind of caught away. I just seemed like I couldn't get away from Him, and I happened to look up, and I said, "Oh my."

<sup>3</sup> My little boy had been walking up and down the streets and said, "Daddy, where have you been?" Thought something had happened to me.

<sup>4</sup> I am very happy to be in...and to minister to the people again tonight and I wish to make right straight to the prayer line.

<sup>5</sup> Today, God has seemed to deal with me today, upon some serious things. I have always wanted a place where I could pray for many people. That has always been a defect, seemed like, in my meeting, to try to get the people (thank you, brother) to try to get the people to believe the...just to accept God.

<sup>6</sup> And I understand today that some brother had a paralyzed arm that was just straightened out, or healed? Now, a man that has been paralyzed for...There he is there, waving his arm back there. I guess he just testified. That is wonderful, that paralyzed arm waving.

<sup>7</sup> Now, that is the way. That is the purpose of my meetings. See? It isn't self-glory. It isn't nothing that I can do. I just try to introduce to you the One that is out there among you now. See? To do the healing out there. It is nothing of personal...something that I have to do. It is Him, it is right where you are setting, right now. He is right by you. It is faith in Him.

<sup>8</sup> But it has been so hard to get people to believe that. When they see one come to the platform and get ministered to, and see the faith of the person bear right up like that and be healed, then they all want to...They just won't accept it out there, that is all. They just, it is hard for them to do.

<sup>9</sup> And today, I have wondered and prayed today, and...Last evening someone told me, said, another brother would pray for five hundred people while I was praying for five. Well, maybe that is right. Maybe that is the way the Lord wants the brother to do it.

<sup>10</sup> And I have always thought, instead of personal contact with the people, if I could get them not so much in contact with myself, but in contact with Jesus. That is...when they come in contact...Because I am just as your brother. There is nothing about me that could help you. And it is Him, and He is right over you, just everywhere. Just like the air that is in this room here, the Holy Spirit is. And now, I am very thankful that God is confirming that what I...or have spoken to be the Truth.

<sup>11</sup> Now, there is the brother that was in the meeting yesterday, a paralyzed man. And today, a well man. I never touched him or nothing. He looked up here on the platform; he seen the Holy Spirit doing signs

and wonders out there. He just said in his heart, no doubt, "That is what I... Well, Holy Spirit, You heal me too, so I will just accept You." And there it was and that has happened.

<sup>12</sup> The congressman, Brother Upshaw here, who was crippled for sixty-six years. I never even touched the man in no way. I just stood here. I did see a vision of the man; that is true. And then he just accepted what I said. That was all. There he is. He is walking. See? I never had nothing to do with it. His faith in the Lord Jesus Christ is what made him whole. That is right. See? "Thy faith hath saved thee." And when faith come, he wasn't afraid to put the works with it. And so, faith without works is dead. See?

<sup>13</sup> And thinking, some of them said, "Well, so many people come...?...Brother Branham," someone said to me, "for you to pray for them. Well, they want you to pray for them. No matter, you don't have to have, to take so much time with each one, just so you have a prayer for them. That is what they want you to do, is pray for them."

<sup>14</sup> Well, I could do that. I will just, anything your faith looks to, that is what I will do, as long as it is in Christ Jesus.

<sup>15</sup> You know, one time...It is different people. Of where, maybe this man could receive from his paralyzed arm, healing, just by believing what I have told him to be true...If people can see this and believe this, that I would not tell you anything wrong willfully. God knows my heart. And I wouldn't do that for nothing, because I would have to answer for it. And I would be just truthful and honest with you.

<sup>16</sup> So therefore, when I say that Jesus has already healed every one of you...When He died at Calvary, He healed everyone. He atoned right there. That is when the debt was paid for. Sin and sickness and all the attributes of sin.

<sup>17</sup> Now, sin is the cause of sickness. Before we had any sin, we had no...Now, sickness is either a direct or indirect caused by sin, from the fall. Maybe nothing you done; something your parents done, and you just inherited their weaknesses and so forth.

<sup>18</sup> I...for instance, my father drank, and was a terrible drinker. Well, I would have been a drinker, but the blood of Jesus Christ cleansed me from that. See? I never drank in my life, and don't crave it. That...and all my people used tobacco, every one of them. Both chewed and smoked, most of them. And why, I, by nature...Just like a grain of corn. It would have to be, if it is a grain of yellow corn, it will be yellow corn, unless there is a conversion made. Well, I never did smoke in my life, and never even craved it, but the blood of Jesus Christ did that. See? See?

<sup>19</sup> Now that is the same thing, if you have an inbred weakness, from some sickness that you inherited from your peoples back in the generations, which each one grown weaker and wiser. The blood of Jesus Christ atoned for that, at Calvary. You have got a right to accept it and be

tonight. Measure it and bring back the...?...string tomorrow night for me. God bless you brother. Amen. Let us say, "Praise the Lord!"

<sup>150</sup> Oh, my! Anything can happen! People, be God-conscious now. I am not excited, but I know who I believe.

<sup>151</sup> Believe with all your heart, receive your healing in the Name of Jesus Christ, go off the platform rejoicing. Amen.

<sup>152</sup> You believe with all your heart? In the Name of Jesus Christ be healed. Go believing now with all your heart.

<sup>153</sup> Raise up your hands. Do you believe with all your heart that God will make you well? Oh Heavenly Father, I pray that you will take this demon away from the woman. Come out of the woman in the Name of Jesus Christ.

<sup>154</sup> Look lady, you have been bothered a long time, haven't you? Mental, nervous oppression, is that right? Demons, something haunts you, scares you, is that right? Do you accept me as God's prophet? Raise up your hands and say, "Thank the Lord for my healing." Go off the platform...?...and be well.

<sup>155</sup> Amen. All right, sister, you believe with all your heart? Look here. Now, so that you would get settled down a minute. You are nervous. You believe with all your heart? You believe that God sent me to do this? Never seen you in my life, as I know of. You are a stranger, is that right? I want the people to know that the Holy Spirit...no matter if they think that I am excited, but I am not. The Holy Spirit's here. Do you believe it? You are wanting to get healed of cancer, is that right? Go off the platform and be well in the Name of...Amen.

<sup>156</sup> Let us say, "Praise be to God!" Oh, my! This is what we need, this is it! This is the time. Is this the patient? How do you do, sister? Look like you are distressed. You believe me as God's servant? You believe that this Spirit of God is here now? If I shall touch you, you will get well? You are an awful deep thinker, aren't you sister? Got a weary spirit too. Always worrying about things you have not got no business to be. You are nervous, upset, because you have acid in your blood which is giving you arthritis, is that right? Go off the platform and be well in the Name of Jesus Christ, go and be healed. Let us say, "Praise the Lord!"

<sup>157</sup> Believe, my brother. Do you believe with all your heart? Heavenly Father, I pray that you will bless this brother and heal him in the Name of Jesus Christ. Go believing now my brother, be well.

<sup>158</sup> Do you believe brother? Now you caught my hand. Yes sir, I know what is wrong with you. Cancer. Now go off the platform and be well in the Name of Jesus Christ. Let us say, "Praise the Lord!"

<sup>159</sup> You believe Him? Just a moment, now some of them here didn't have prayer cards. Hasn't got no prayer cards. The prayer cards don't have nothing to do with it. Now is the time to be healed. Remember the

nothing would stand before the prayer. Now everyone, come reverently. Come, sister. All right, you are wanting to be healed, aren't you? You believe that if I will pray for you, you will be healed? Wouldn't you like for me to tell you what is wrong with you? A heart trouble...?...You go on and be healed now.

<sup>140</sup> All right, you believe brother? Go on and get over your heart trouble also, and be made well again...?...the Name of the Lord Jesus. Those people were healed the same as the blind woman was. They will see it. They will be all right. They don't physically show now, but it will be. Let us say, "Praise the Lord."

<sup>141</sup> You believe my daughter? Oh, Lord God of Heaven, blessed be Thy Name. Heal our sister now in the Name of the Lord Jesus Christ. May she be well. Amen. Believe it now, go rejoicing, be happy. That is right. Amen.

<sup>142</sup> God bless you, sister. You have longed for this moment, haven't you? Your faith has made you whole, sister. Go on...?...the Lord Jesus. Let us say, "Praise the Lord."

<sup>143</sup> You believe it? Go rejoicing, stomping your feet up and down, saying, "Praise the Lord." There he is, loosed from his arthritis and spinal trouble...?...the Lord.

<sup>144</sup> You believe too, sister? You want to get over your arthritis, don't you? All right, just raise up your hands...?...your feet up and down like this and walk off the platform. You are free now. Let us say, "Praise the Lord!"

<sup>145</sup> Look. Before I look at this woman, she had the same things healed too. Didn't you have arthritis? Raise your hands up. Stomp your feet up and down. Claim your victory right now in Jesus Christ. You are free! Go off the platform rejoicing. Go and be healed in the Name of the Lord Jesus Christ. Oh, wonderful. Here it is. This is it! Amen. This is what we long for.

<sup>146</sup> Believe, sister, in the Name of the Lord Jesus Christ, receive your healing. Raise up your hand, that is right. Amen. Go off the platform rejoicing.

<sup>147</sup> Be healed, sister. You believe? In the Name of the Lord Jesus, I bless thee for thy healing. Amen. You had many things, complications. You also had arthritis, didn't you? Raise up your hands. You are healed. Amen. Wag your feet up and down. That is right, walk off the platform gladly. Amen.

<sup>148</sup> You believe, sister? You want to get over that heart trouble, don't you? In the Name of Jesus Christ may it leave you. Go off the platform believing God for it. Believe with all your hearts...?...

<sup>149</sup> ...this little baby, you believe it will leave it? In the Name of Jesus Christ, I bless this child for his healing. Amen. Put a string around it

healed. That is what...See?

<sup>20</sup> Now, sickness is an attribute of sin. It is just one of the things that come because of sin. Now, if you have done something in your life, that you know that is wrong, well, you make that right. That is usually the cause here at the platform, is to trace down and find out something in their life there that they did, that caused them not to be able to be healed until they are—until they make that right. And then when they make that right with God, then God will heal them. See what I mean? God will heal them if they make that right. Now I...that's what...but if...You know in your own heart that you have done something wrong or not, don't you? And so you make it right anyhow.

<sup>21</sup> Now it is the truth that when the appearing and the commission that was given...Let me repeat this slow now so that you will surely understand. I never heard Brother Hall's sermon tonight; I just got here. Sometimes I hear a portion of it when I am standing back there. But he told me he was going to explain to the people. Now when He met me, He told me that I was born in this world to take this to the people, to pray for sick people, and if I would get them to believe me and be sincere when I prayed, that no disease would stand before the prayer, not even to cancer. Now that is true.

<sup>22</sup> And then I questioned the supernatural being that was speaking with me, the Angel of the Lord, who said that He was sent from the presence of God, and He told me that I would have great congregations of people across the world and would pray for kings and monarchs. I have. Kings of the world, and praise the Lord, they were healed. See?

<sup>23</sup> Now, it was hard for me, with a seventh grade education, and just a local game warden, working for a living, with some children to take care of, living in a two-room cabin. How was I to ever to meet kings and monarchs, and great men of the world, and congregations from east, west, north, and south to come to see me to be prayed for? That was more than, that shock at that time, that my faith could comprehend.

<sup>24</sup> Then He said to me, I said, "Sir, they wouldn't believe me," for I couldn't talk. And that is true yet. I can't talk the real good conversation with people because I am not educated enough.

<sup>25</sup> My...I was coming down the elevator at the hotel I am staying in; I believe it was last night. I was saying something to an elderly woman there. There was a big fellow was standing there, said, "You sure are from Texas," he said. "You sure..." said, "Your talk sure sounds like you are..."

<sup>26</sup> But I just can't...There is just no...I haven't got the ability to make a speech even sometimes at ministerial dinner, and so forth. I just let my manager or some of them talk, because I can't. To make a sensible talk to the people in a way that educated men like that should talk to one another. That is the reason someone comes to the platform and

introduces the things. It is because that I am...my ability is not enough for that.

<sup>27</sup> But He told me that He would give me...When I told Him the people would not believe me. How would a king or a monarch or an educated person...?...looks to wisdom of the world and talents of that type, listen to a man that talk like me? They wouldn't do that.

<sup>28</sup> He said, "As the prophet Moses was given two signs to vindicate his being sent of God," see? Said, "So will you be given."

<sup>29</sup> Now that was something, not in the educational realm, but out in the supernatural realm. See? See?

<sup>30</sup> And said, "The first thing, you will know diseases by taking people by the hand. And then it will come to pass that you will know the very secrets of their hearts, and the things that has happened in their lives, and be able to tell them, from the beginning to the end." And said, "They will believe this."

<sup>31</sup> And the Light gathered up around the Angel; the Angel went up in the light. The Light kept whirling in the room, and went out of the room. And I am...that is all I can say. That is all I know.

<sup>32</sup> And I have been going forth and have almost covered the world now, and the Message has been...Well, He said He would be with me. He has been at the platform. He has done great things. I do not say that everyone I have prayed for was healed. No, now don't get that. No, but I say that everyone has ever come has been told what was wrong with them, and the things of their life and so forth like that, if I would set and talk to them a little while.

<sup>33</sup> Now the great complaint...There is no question about that; that is known everywhere. The great complaint that I hear, that I don't minister to enough people. That maybe I have got too much on the other side. Maybe I have. I thought this: if I could pray and God would do something here in the supernatural realms, to let you know that He was present, and then surely you would take my word for it. See? You would take my word. And then I would tell you He was out there and would heal any of you that would confess Him to be your Healer.

<sup>34</sup> Remember, He can never do nothing for you until first you say He has done it, believe Him and accept it, and testify of it. Did you know that? He is the high priest of our what? Confession. Hebrews 3:1. Now He is setting at the right hand of the Father, to make intercessions upon our confession. See? We have got to believe it, accept it, and confess it. And He is before the Father to make good anything that we confess, in the redemptive blessings, of course.

<sup>35</sup> Now, Jesus said, "Whatsoever things you desire, when you pray, believe you receive them, and it shall be given to you." Is that right? And, "Verily, verily I say unto you, if you should say to this mountain,"

<sup>130</sup> All right. How do you do, sister? You believe with all your heart that you are going to get well if I ask the Lord Jesus? I am afraid I ought not to have had that discernment...?...[Blank spot on tape—Ed.]

<sup>131</sup> Amen! Let us say praise the Lord! Everyone now. That is right, sister. God bless you sister. Amen. Oh my, now that is the way to do it! Come by and accept it! Passing by.

<sup>132</sup> You believe, brother? If you do, the arthritis will leave you, you will be a well man. Go...?...

<sup>133</sup> You believe, sister? With all your heart? You believe the heart trouble will leave you? It has! Amen, now go on and believe you are going to get well.

<sup>134</sup> You believe too, sister? God bless you. In the Name of Jesus Christ receive your healing. Her sight come to her. Let us say praise the Lord, everybody. Let us stand up and rejoice, everybody, and accept the Lord now as your Healer. Praise the Lord. God bless you, sister. Amen. A blind woman received her sight standing here. She threw her hands up to the light. Let's raise our hands and praise God, everybody.

<sup>135</sup> Heavenly Father, thank you for Your goodness and Your kindness. How we love You and adore You, Thou Great Physician. Marvelous Thou art, Father. We love You and praise You. Get glory from these services. Magnify Yourself among Your people. We love You with all of our hearts. In the Name of Jesus Christ, we praise Thee! The audience say, "Praise the Lord."

<sup>136</sup> There is her daughter down there, hugging her, and she is screaming, waving her cane around. Healed! Amazing grace. How wonderful!

<sup>137</sup> Do you believe, sister? Go and be healed in the Name of the Lord Jesus. Go rejoicing...?...Amen. Aren't you happy? The Bible says, "And the people glorified God." Sure, you can't hold your peace. He said, "If they hold their peace, the rocks will cry out." A woman blind for them years receiving her sight. Look at them weeping, and crying, and hugging each other here in the corner. It is marvelous. Sight flew into her eyes when she believed on the Lord Jesus. God will be the same thing to all that believe. Oh my, how marvelous. Oh, how we love Him.

<sup>138</sup> Now just come one at a time and be in single file. She is just so happy, she don't know what to do. All right, well, if they're glorifying God, let's us too. Praise the Lord! Oh Jesus, we love You and praise You and adore You! You are wonderful and glorious. Magnify Yourself, Lord. Get glory now. Stir this city like never before. May the Holy Spirit literally wake up thousands because of Your glory Lord. Grant it through Jesus Christ's name. Amen. [Brother Branham takes a rest. The blind woman testifies of her healing and Brother Hall speaks to the people—Ed.]

<sup>139</sup> I have tried to be honest. It is the truth, friends. He promised me that

are a stranger. I have never seen you in my life. No way in the world... There you are just setting there, a lady that just come in and sat down. Now you believe that with all your heart and look this way.

<sup>124</sup> My sister, God is going to reward you of your faith. You have been suffering with a stomach trouble, isn't that right? Ulcerated stomach. I see you refusing food at a table. That is right. You are going to be a well woman. You go on out and believe the Lord Jesus with all your heart, and you shall be made well. Everyone that believes that with all your heart, you can... [Brother Branham rests while Brother Hall encourages the people to believe and organizes the prayer line. Congregation sings *The Great Physician Now Is Near.*—Ed.]

<sup>125</sup> Thank you, Brother Hall. All right, friends dear. I want to get back a little bit, to that anointing. It is so strong, it interrupt...?...and the people... As long as it is on you, you just keep feeling it. It jumps and pulls you like that. Do you believe that I have told you the truth? May God bless your dear, sweet hearts, every one of you. I love you and I am here to help you.

<sup>126</sup> Now as they bring the people, may they... You bring your patient now. I just want to pray, and as I pray for you, you go through. Let the piano constantly play *The Great Physician Now Is Near.* Don't you believe He is here?

<sup>127</sup> All right, now every one just coming through. Come, mother. You believe now with all your heart? Our dear Heavenly Father, I accept Your Son Jesus now as the healer of this woman. And it... Heavenly Father, I pray that she will be healed tonight. I lay my hands upon her, in commemoration of our Lord Jesus Christ, for her healing. Amen. God bless you my sister.

<sup>128</sup> All right, do you believe now, sister dear? You believe that Jesus Christ will make you well? You believe that He will. And you believe that if I will ask Him, He will let you get well? Without telling you. You realize that I know what is wrong with you, don't you? You know that. All right. And I want you to believe that that heart trouble will... God bless you. Our Heavenly Father, I pray that You will heal her Lord, and make her well. I bless her in Jesus' Name. Amen. God bless you.

<sup>129</sup> Now sister dear, you believe with all your heart, do you? You believe that Jesus is here to make you well? You... do you believe that if I ask Him, without telling you... You are wanting me to tell you what is wrong with you. I know you do, but... That is what your faith is in, isn't it? All right, now if I... I am just going to pray for you, and ask God to heal you. You believe you will get well. Our Heavenly Father, bless our sister, Lord. We realize that she must get well right away. And I lay my hands upon her, and I rebuke this demon that is binding her, in the Name of Jesus Christ. Thou demon called cancer, leave the woman, come out of her. Amen. God bless you sister. Go and be well.

(in your heart), "be cast-plucked up and cast away, or removed, and doubt it not," but now watch, "but believing that those things that you say shall come to pass, you will have them."

<sup>36</sup> Whatsoever He said. See? Whatsoever you confess. If you in your heart tonight, if you are dying with heart trouble, if you have got cancer, if you get the appropriated faith, if you believe with all your heart, and just something is anchored there that says, "I believe Jesus Christ. I believe Him with all my heart, and I now accept Him as my Healer. And I believe that He heals me." And from your soul, believe that, then say, "I am healed."

<sup>37</sup> Let him that is weak, say, "I am strong." See? Just say in your heart that, "I am now strong. I have now accepted Jesus as my Healer." And never have any negative testimony anymore. Just believe it. God is under obligation, or Jesus Christ is, sitting at the right hand of the Father, to accept you. For He is sitting there, the High Priest of your confession, to make good before the Father, anything that He died for that you are confessing that He done. There you are.

<sup>38</sup> Now, Divine healing cannot be any plainer than that. It is to the weakest. You do it... any... Remember, God's Word will defeat Satan anywhere, any place, any time, and any condition.

<sup>39</sup> When Jesus of Nazareth... I believe that the Father was in Him, that all the great things that was the Father's was given unto His Son. All the great blessings and gifts. For He was just the expressed image of the Father. And in Him dwelled all the riches of God, dwelling in Him here. Looking up, and He said, "I and my Father are one. My Father dwelleth in me." Just as Jehovah, or just what Jehovah was, Jesus was. He was the expressed image of Him. It was God shaped out here, and all the powers that God formed into, were put into a human body. He said, "It is not me that doeth the works, it is my Father that dwelleth in me, He doeth the works."

<sup>40</sup> Now He had all those fine gifts at His command, but when Satan found Him, He didn't use those gifts. When Satan said, "If thou be the Son of God, change these stones to bread. Turn them into bread and eat, for you are hungry."

<sup>41</sup> Then he taken Him up on the pinnacle of the temple and he gave Him Scripture, and Jesus said, "And it is also written."

<sup>42</sup> And when he set Him up on the top of the mountain and he showed Him all the kingdoms of the world, said, "I will give them to you."

<sup>43</sup> Jesus still never used His power. He said, "It is written. It is written."

<sup>44</sup> Now, in His first battle with Satan, He officially (listen close now), He officially overcome Satan and all of his powers, by the Word of God. The written Word of God.

<sup>45</sup> Now these our brethren who's out on the fields tonight, are praying

for the sick; that is what they are doing. They are ministers. Every minister in here, any minister that believes in the Word of God could start a healing campaign and has a right to. That is exactly right. If you feel led to do that, go do it.

<sup>46</sup> So, it is this way, friends. You say, “Am I sure that I could be right, Brother Branham?” Don’t go because I told you, but I will give you general orders.

<sup>47</sup> Jesus, His last orders, and that is general orders from the headquarters, “Go ye into all the world, preach the gospel to every creature.” Is that right? “He that believeth and is baptized shall be saved, and he that believeth not shall be damned. And these signs shall follow them that believe. They will lay their hands on the sick and they shall recover.” Every called child of God, every minister that is ordained of God has a right for a healing campaign, if he wants it.

<sup>48</sup> Go on, brethren, I don’t blame you. I was looking and seeing little groups here and there. They say there is too many of them? No, there is not. Every one of them is having success some way. And every person can be healed, glory to God for it. That is right. Everyone, everyone. It is a good thing.

<sup>49</sup> Now, a few years ago when I started, there was none of that going on. And the only thing that this has done, this supernatural, has wakened ministers out of the sense-bound realm into a place to where they see God is present. They take His Word, start a healing campaign; God heals the sick. You see what—that is just exactly. Search it through anywhere you want to and see if there is anything any more supernatural than that. That is right. That is wonderful, what God is doing. He started a universal revival, of the outpouring of the Holy Spirit. Now, we are very thankful for that.

<sup>50</sup> Now, after the Word, and reliable men who is able; many, many times more able. There is ministers setting right here now, many of them, that is a thousand times more qualified to speak that Word than I am. That is right; I don’t know too much about it. I don’t know the Book; I know the Author right well. So I...Many of them are more qualified to speak the Word. And I love Him, just a personal contact. But if I can’t explain this Book, He comes down upon my ignorant, illiterate being, and manifests Himself in another way. See? And He lets the people know He is present. And He loves me, and I love Him.

<sup>51</sup> Now He is here tonight. And now, Brother Hall said, “Brother Branham, I believe the people are, their faith is, they have seen so many...” And he just with a humble heart, God have mercy upon my soul. And many people has come by. I seen a time where they just touched your clothes or something. Now that sounds like, if I would speak that to unbelievers and critics, which I know is present. You think that...Now, you say I didn’t know you were here. Oh, yes I do, too.

<sup>118</sup> All right, just a moment now, everyone. I believe a lady there, I see, sitting right through here, that has got a white coat on. A white coat, sitting right there, right through here by that gentleman. Right there, yes. Stand up just a minute, sister. You believe with all your heart? You want to get rid of that tumor, don’t you? You want be healed. You have no prayer card, but Jesus Christ make you whole. God bless you and heal you.

<sup>119</sup> Now somebody in this section, with...Look this way and believe now, with all your heart.

<sup>120</sup> How about the lady on the stretcher there? All right lady, I want you to look this way. I want you to believe that I am God’s prophet. Not in myself. I had nothing to do with this. God ordained this to be so. Do you believe me? I am not able to heal you, my sister. Only Jesus Christ can heal you. But you being a stranger, and no contact with you at all. Now, I see you are very thin. Yes, you have been bedfast for a long time, haven’t you? I see a long stretch of darkness around you. Also this, you are suffering with heart trouble. Isn’t that right? Is that true? Now if you will believe on the Lord Jesus, with all your heart, God will honor your faith and you could be healed. Now, it is not too far. I know you are awfully weak. But if you will just believe on Him with all your heart.

<sup>121</sup> Just so many people are pulling, and trying to...This lady here with this green looking coat on, sitting here is trying awfully hard to come in contact with the Spirit of God. Isn’t that right, lady? You was setting there praying, or something, for me to just speak to you, isn’t that right? I am not reading your mind, but that is true. Just stand there. You believe me as God’s prophet? You believe that what I say is the truth from God? To vindicate that, if I tell you what is wrong with you, will you believe me and accept me as God’s prophet? You have cancer. Is that right? Jesus Christ make you whole my sister. God bless you. Everyone have faith, believe.

<sup>122</sup> Now back in this section, just so that you would know. People without prayer cards or something. Somebody that knows nothing. You are plumb out of contact, back in here somewhere. Believe. Here is a lady setting here with a red coat on, setting looking right at me. Your trouble there, sister...yes, you are...Look this way. You are kind of an aged one. Yes. It is your eyes, is what bothers you, isn’t it? You got glasses, of course, look like someone...that is...God bless you sister.

<sup>123</sup> Say, let the next lady raise up, next to you there, let her raise up. Because her...you with glasses on, people would see that. That is all right, you can be seated just a moment. You look this way lady. Are you sincere? And you accept me as God’s prophet? You believe that with all your heart? You believe that I have told you the truth, that Jesus Christ blessed His humble servant from birth, to come here, and these signs that I am speaking of vindicates what I have said to be the truth? Lady, you

know, just kind of take God as like the reading and writing and arithmetic. What we learn by the Word, it just becomes the Word, and we know that in our minds, but we are afraid to accept it, to bring it to life. Don't you think that? You do. The reason I am talking to you, you are a little tightened up, you see? Just a little upset, because of your calling here and...?...And anyone who comes near feels it, see? Especially when I am contacting that person. Now, you understand what I am speaking of? All right.

<sup>113</sup> Now, that you might not think, that you might not come... Which, it isn't in your mind, but it is in some setting out there: mental telepathy. Mental telepathy is to concentrate upon a number or something that you have in your mind. That is true. But the power of God, through a spirit of a prophet, knows things that you don't know in your mind. Isn't that right?

<sup>114</sup> All right, may God of heaven grant that to me tonight, to know something, to encourage your faith, that you know nothing about in your mind, that you are not even thinking about. For God in heaven, who is my sole judge, knows that I know nothing about mind-reading. I know nothing of it. Only thing I see is a vision, and I tell what I see. You are conscious of that, aren't you? You believe that what I have told you is the truth.

<sup>115</sup> Your trouble is in your lower part of your body. It is in your bowels, I believe. Isn't that right? It is in your bowels. Now just a moment. I... You had some sort of a trouble when you was a child, a little girl. You were wearing a... looked like kind of a checkered looking dress. Say, you had a fall, didn't you? Didn't you fall into a hole or something, somewhere? Is that right? Did you fall into, I believe it was a well, wasn't it, or something like that? And you have been injured, is that right? God bless you now, sister. Is that true?

<sup>116</sup> You wasn't thinking nothing of that. If that is true, God is here to witness it. Our Heavenly Father, this poor child, since a little girl has been injured. This accident has torn loose her bowels Lord, and they are not right. But Almighty God, the Creator, bless this our sister, and grant Lord, that she may be healed tonight. Oh Father, I bless her for this purpose, that she might glorify You, in the name of Your Son, Jesus Christ. Amen. God bless you sister. Go with all your heart.

<sup>117</sup> And now, let us see now, what time is it? All right, we had better start a prayer line. Now just a moment. Now do you believe with all your heart? Let us say, "Praise the Lord." Now, somebody here that hasn't a prayer card, that nobody is... you have not got a prayer card. How many here hasn't got a prayer card and is sick? Raise your hands, that has not got a prayer card. Raise your hands, all right. There is so many of you I don't know just where... Look, somebody concentrate down there, down in this corner, way down. Now just believe, some of you down there.

Certainly I know you are here. And so you say, "Now he is trying to get somebody to touch him." No dear brother, you are mistaken there. Far be that from me. God knows that.

<sup>52</sup> And I am not here in California tonight because there is no other place to go. I am not here trying to crowd in on someone else. I have a tabernacle at home where if I had started a meeting, and announced it in the paper there, would probably be three times the group that is setting here, standing there.

<sup>53</sup> Here a few nights ago I was there for one night and they couldn't even... the people there for city blocks, around right at my own home. Why would I be here? Because I feel that God wants me to be here. That is right. That is why I feel like I am here. And I am not... and the words that I have spoke, our Heavenly Father has confirmed them to be true.

<sup>54</sup> So there is nothing for me to worry about. If I die tonight, I am all right. It is okay, see? I don't want to die. I want to stay and live with my wife and family and children and preach the Gospel to God's people, until Jesus comes if I can. And I am not trying to get someone to touch my clothes. There is nothing to me. That is right. But to that person that believes that I have told them the truth, there would be something to that then. That is right. There is no more virtue in that coat than there was in the brass serpent. But if your faith looks that way, that is what you ought to do. Isn't that right?

<sup>55</sup> Did Jesus of Nazareth, as I said last night... The woman touched His garment and virtue went out. Another one put a rag around His face and spit on Him and hit Him on the head, said, "Prophecy!" There was no virtue to them.

<sup>56</sup> One man one time said, "Lord, I am not worthy that You would come into my house."

<sup>57</sup> He said, "I am not worthy that You would come into my house." He said, "I am a man under authority, and I say to this man, 'Do this,' and to this, 'Do this,' and he doeth it. And I say to this one, 'Come' and he cometh."

<sup>58</sup> Now see, that Roman recognized that Jesus of Nazareth had the authority over sickness. For he was a man in authority and he knew what he said, it had to be. See? Now he says to this man, if he is going that way, he said, "Come back this way," he has to do it. He has to, because he is in authority. Do you know what I am talking about? All right. And he knew Jesus had that much authority and more over sickness.

<sup>59</sup> He said, "I am not worthy that such a holy person as You would come under my roof. But I know what authority is. You just speak the Word, and my servant will live. Just speak the Word."

<sup>60</sup> And Jesus said, "As thou hast believed, go; thy son liveth," and so forth. All right?

<sup>61</sup> That is His Word, and His written Word tonight, is a seed that will take life as soon as you believe His Word. It is just the same authority tonight over all sickness as it was then. And these supernatural acts is to bring your faith back to Him, quicken it, right quick. See? Make it quicken to Him.

<sup>62</sup> Now...But Jairus, he just couldn't see that. When his daughter was dead, he said, "My daughter is dead, but come lay your hands upon her."

<sup>63</sup> Now if Jesus would have said, probably, "I will speak the Word," Jairus couldn't hardly see speaking the Word. He wanted Jesus' hands to be laid upon him. And as soon as Jesus took the daughter by the hand, it confirmed his faith and there it went. Is that right?

<sup>64</sup> Now many people say, "Brother Branham, the Angel of the Lord told you to pray for the sick, and I want you to personally pray for me, and I will get well." Now that is right. That is what He told me.

<sup>65</sup> That...I know He will do the other way. But tonight I wanted to get the prayer line, but maybe without the discerning part, and just pray for the sick. Take them, not pass them through a fast line where they have to go through like that, talk to the person and pray for the sick. And I believe we can get a great number of them prayed for tonight.

<sup>66</sup> And then, I will do that if you will do this with me: if you will believe that I have told you the truth, and if I ask God, you will have faith in my prayer that God will hear my prayer. And you will go out of here and say, "Lord, I am going to be well from right now. I am going to believe it." Would you believe that? I want to see how much audience I got to believe that. Well, that is wonderful. That is wonderful.

<sup>67</sup> I shall read a little Scripture here that has always come to me. And then at that time we are going to start praying for the sick. Joshua the 1st chapter, the 2nd verse, beginning.

<sup>68</sup> You don't know what that meant to me when this first come to me. It has been my life.

<sup>69</sup> Scripture that rings in my heart...?...It has been something that stuck to me since I was converted. And I believe it with all my heart, that God is here tonight and that God is going to do great things.

<sup>70</sup> I have kind of got to a place where I wanted to get more bold. I want to take the initiative side. Regardless of whether it is under the discernment, whether, I want to go forward and challenge the enemy. And a bold...I am more like a timid sort of a person. And I only try to work as I see the Spirit of God working. Then I speak, and that is not exactly a faith. That is seeing exactly what is going to happen before you say it.

<sup>71</sup> I want to step out with faith tonight. I want to come out with a something new that I haven't done before, take the other side and say, "Satan, Jesus Christ sent me to do this. And you have got to leave the

<sup>104</sup> I just take that just a little bit, so maybe I could get another one. Say bring me prayer—what was her number? 62? What was her number? 63. Bring me 80. Bring me prayer card 80. Who has got prayer card 80? O 80. If anybody in here has prayer card O 80. Or, is it here? Is no one got prayer card 80? All right, you come.

<sup>105</sup> Now everyone reverent please, friends. I want you to know that our Lord Jesus Christ is present to heal all those who...[A brother says to the audience, "On the card it said skin disease"—Ed.]...while our sister is...

<sup>106</sup> [Another brother says, "Yes, we're just thrilled at how true that was. You see, Brother Branham not only knew what caused the itching on the skin and all that, but it was the poison all through her that the doctors couldn't explain, causing it. Last night we watched the cards and not one thing missed the whole evening. I think that's remarkable."—Ed.]

<sup>107</sup> Now sometimes the people...I don't know what they write on their cards. That has nothing to do with it. That doesn't mean a thing. She had the itching on her skin. Well, that is all right.

<sup>108</sup> How do you do, lady? Isn't our Master lovely? Well, I love Him very much. And I believe you do too, sister.

<sup>109</sup> Now, the Spirit of the Lord is present. And our Master is always full of love and compassion. You have a great faith, but there is something seriously wrong with you. You have lost a lot of weight recently, haven't you? Much weight, I see a vision before me of a woman much larger than you are. And it has been brought down by some kind of a...It is a nerve trouble, isn't that right? Not only that, but you have a something wrong where you can't eat, isn't that right? I see...God bless you, sister. That is enough, for you may go. God bless you my sister, and be healed. Almighty God, have mercy upon our sister and bless her. In the Name of Jesus Christ I pray. Amen.

<sup>110</sup> ...?...have another one? All right, call me a prayer card. Let us see, prayer...What was that? 80...?...What would we call next? 90, let us call 90...?...O 90. [Brother Hall calls for the next prayer card—Ed.] Let Brother Hall call that one so we...All right, everyone reverent now. Is O 90 not here? Then get O 100. Oh here, O 90? All right.

<sup>111</sup> Come down, sister. Well, I appreciate you being in mission work. That is a great work to be in for our Lord, sister. I do appreciate any soldier of the cross. I love God's children. And God loves His children. And now, you are aware tonight that you are in presence of a prophetic being, aren't you? And it is...I can feel the effect it has taken on your spirit now. And it is no more than the Spirit of our lovely Jesus here. Now, you are a stranger to me, I do not know you. I know nothing of you. The only way that I would know anything would have to truly come through God, is that right? It would have to come through God. There is no other way that I would have it known.

<sup>112</sup> Now the people, I think a whole lot of we people, that we just, you

because the audience, it is just coming in with a vibration from the audience. I would not say...some kind of a pressure of sickness pulling. I might get mixed up on what I am saying to the lady. But now I wish just to sit down and talk to you, sister dear.

<sup>96</sup> Now, you were probably surprised when I called your card tonight. [Sister responds—Ed.] You had prayed for it, so you wasn't surprised. You believed that you were going to be called tonight. You did. Now, the order of me talking to you is only to contact you, to see what is wrong. Like Jesus spoke to the woman at the well, and all at once He changes conversation.

<sup>97</sup> And then when that was done, why, she said, "I perceive that You are a prophet."

<sup>98</sup> And our Master said, "These things that I do shall you do also, and greater than this shall you do," (or more) "for I go unto My Father."

<sup>99</sup> And now, that is the purpose of me here tonight, is before this audience of people. And not for show of my own, my Father knows that. It is for...that they might believe on our Lord Jesus. And I don't know; them microphones might not be packing that out, I don't know. But whether it is or not, I can't say. But I know that He is here, His presence. And I believe that you feel and know that something is going on, something is taking place. The reason I am talking fast is to keep it from speaking out, you see, until I got through talking to you.

<sup>100</sup> Yes ma'am, you have got a serious trouble. Isn't that right? It isn't known by doctors what it is. Doctors don't...You have been to specialists with it, haven't you? Isn't that right? You have been to some renowned men, great men. I see a great office. Wasn't you examined or something or other in a great office recently? Is that true? And you have some kind of an infection or poison that has went through you. Isn't that right? Itches you...?...want you to scratch, isn't that true?

<sup>101</sup> Something happened then, didn't it? You are blessed, sister, of God. You are going to get over that. You are going to be well. The Lord Jesus...Father dear, You are here, near. And I thank Thee for Thy goodness and mercy. Now bless our sister. The doctors do not know what is wrong with our sister, but Thou does, Lord. And You reveal all things to Your servants. And now have mercy, Lord, and bless Thy servant.

<sup>102</sup> Satan, you who have bound her, come out of her in the Name of Jesus Christ.

<sup>103</sup> My sister, I bless thee in the Name of Jesus Christ. Amen. Now, you go from here tonight believing and you are going to be well. And you go believing and thanking God with all your heart. Walk close, as you have been praying for that close walk with Him. Go and just walk with Him and believe Him with all your heart, and you will be a well woman again. God bless you, sister dear.

people." And just make a bold command without even seeing anything, believing it with all of my heart. I believe God will confirm it, and great signs and wonders will be done.

<sup>72</sup> And I am putting it to the test tonight. It is the new place. All my life I have wanted to read that Scripture in my lesson, Scripture lesson, knowing that sometime that God was...what that meant to me. And tonight has been the time where I was going to come to the other side, without the discernment, just going right out and praying for the people, and command that spirit to leave the people that has got them bound. Not knowing what it will be, but put myself and them two out there on God's promise. Stay right with it.

<sup>73</sup> He has told me if I pray for the sick people that they would get well. And I believe it. I believe it. And tonight as I just I believe Satan's keeping me too cowed. That is right, he is letting me just hold that there. I believe God wants me to move right out. And I am going to go right out and start praying for the sick, and pray for as many as I can stand here and pray for. And that is right.

<sup>74</sup> Now, the discernment is here. God is here. Oh yes, He is. He is here. And I know the Angel of the Lord has been with me since over an hour ago. And I know that is true. The power of the Holy Spirit is right upon me now. That is true. This Angel of the Lord. And He is here and can discern anything, and that is true.

<sup>75</sup> But not so much for that. I want you to come and let me pray for you, for He told me if I would pray for the sick and be sincere when I prayed, and get them to believe me, that nothing would stand before the prayer. I believe it! And I believe the hour has come when that has been confirmed enough. It has been here for two weeks or more. You never seen it fail a time and it never will fail because it is of God. That is right.

<sup>76</sup> Now my commission was to pray for the sick, and that is what I am going to do. I am going to pray for the sick and just get as many as forty, fifty, sixty through a night. Maybe more than that, maybe a hundred of a night, and just pray for the people. Stand here and have an individual prayer for each one. And then I want them to leave the platform rejoicing and believing what I have told them to be true. Now, I have spoke, and God has confirmed. How many believes that is true? That He has confirmed what I have said, that is the truth.

<sup>77</sup> You know that and now I want you to believe. But now, let's...For instance, someone might say, "Well, I believe maybe the Spirit left Brother Branham."

<sup>78</sup> Like this. No sir, I just told you from my heart, I am stepping out on the other side, to take the initiative side to claim my given rights from God. And He told me to pray for the people and get them to believe it and they would get well. And I believe it with all of my heart. Now, let us have prayer.

<sup>79</sup> Our Heavenly Father, I believe that I am right tonight. I believe it with all of my heart. I believe that You want me, and these people are setting here; they are looking and they are just wanting to come here and be prayed for. And many of them has accepted what I have tried to tell them in Thy Word.

<sup>80</sup> Cripples, that has been crippled for years and years, that has been crippled—many, many years before I ever came on the earth, they were bedfast and cripples, and tonight is a walking and well and normal people. Your Word is confirmed, Father. Signs and wonders have been done. But it seems that the people are just a little anxious for me to ask You individually for each one.

<sup>81</sup> Oh Father, I pray that You will heal the people tonight. Grant it, and speak to Thy servant. Now Lord, if I am in your will by doing this, may everyone that I pray for tonight—or I would say, Lord, knowing that many will come, maybe, that doesn't have faith. If You just let seventy or eighty percent of what I pray for tonight be back tomorrow night testifying that a results has happened to them, I will go forward in faith, Lord, believing that I am moving according to Your will. I say not this for the audience to hear, but I am speaking to You, Father, in the Name of your Son, Jesus Christ. Amen.

<sup>82</sup> Isaiah 53, "Who hath believed our report? And to whom is the arm of the Lord revealed?"

<sup>83</sup> Now, my little boy, I think has give out...now you give out prayer cards. We want to pray for all of them, everyone that I can pray for. Now, each afternoon they are given out, and at night.

<sup>84</sup> Now we could start a prayer line, and run a few up, bring them few under the discernment. It is here; God is here to grant this to us, but it isn't necessary, but...

<sup>85</sup> How many here has got prayer cards? Raise up your hands, let us see you, that is able. Oh, there is a group of you. What number did you start with? 50, 51 to 100. That would make fifty. And, maybe then, what is the number, what is the letter? O? All right, and maybe then after that...

<sup>86</sup> Is there anyone here got old prayer cards from the night before or the other nights back, let us see your hands. There is a group of them here. All right. Let us just have one or two up here, just to the platform. Just, I don't say they will be healed, but that you might know the Lord is here to speak the things.

<sup>87</sup> Let us bring up prayer card, now I don't know your numbers you are out there, each one of you has got a number. Look over your prayer card with letter O, and let us bring up, what did you say, 51? Let us bring up 63, ever who has got prayer card 63 just to pull it out of the audience. Let someone out there...look on...turn your card over there and you can see if one of you, anybody here has got 6...have you got it? 63.

<sup>88</sup> Now just a moment. Now let us just pray now that our Lord will be near. I am going to pray for every one of you tonight I believe. All right, now everyone reverent. All right, is that the...? 63. All right.

<sup>89</sup> I just want to, just to talk to the sister just a moment. Now how many understands thoroughly? Let me speak this now. That our Lord Jesus commissioned me when I was born in this world to go pray for sick people. That is my life's...allotted to me to do that. How many understands that? And when the Angel of the Lord appeared to me—down through life I did not know what it was, until He revealed Himself a few years ago, speaking this, that I was to pray for the people, and if I could get them to believe me, to believe that God heard my prayer, and I was sent to pray for sick people, that they would be healed of whatever disease they had. Now do you understand that?

<sup>90</sup> And then I questioned the Angel and told Him that I did not believe the people would believe me, you understand that? And He gave me two signs, said to do these signs before the people. And by this they would believe that God had sent me to do this. See what I mean? Now how many understands that?

<sup>91</sup> That is right, but that doesn't have anything to do with the healing. Oh, a person could come here and be ever so sick; you could tell them what was wrong with them, but unless their faith is anchored in Christ, see? But this is a vindication. I wish this audience could feel just what I feel right now. It is a sacred, real...I just feel it just pouring over me now.

<sup>92</sup> This sick person standing near me...and now I do not know the lady. I never seen her, as far as I know, I have never seen you in my life. And I don't know nothing about her. But God knows all about her. He knows all about her. I believe He would reveal to me what is wrong with our sister. Now if He does, then God be glorified. I shall ask God to heal her. And if God does, we will be thankful for the Lord to do it, won't we? All right, now I want everyone to be reverent, while this is just one out of the bunch. I just called her up; that is all right, just so that you would know. And the lady knows here that there is no way at all that I have any contact with her, outside of just...have to be from the Holy Spirit some way.

<sup>93</sup> I wonder if you would just, if I could just have a place I get her to relax just a few moments. I feel the pressure of nervousness that she is...Just bring her a chair, and I will bring one also, and you set by me just a moment.

<sup>94</sup> Now I do not want you to think, sister dear, that this is any other purpose but just for the glory of God, and it is the Holy Spirit of God, that is here present now.

<sup>95</sup> Now, to the audience, if I could get each person to sit like this here and talk. But I am going to have to move myself around just a little bit,
