To Whom Is The Arm Of The Lord
Revealed

Cleveland, OH USA

Introduction

The remarkable ministry of William Branham was the response of the Holy Spirit to the prophecies of the Scriptures in Malachi 4:5,6, Luke 17:30, and Revelations 10:7. This worldwide ministry has been the culmination of many other Bible prophecies, and a continuation of the working of God by His Spirit at this End time. This ministry was spoken of in the Scriptures, to prepare the people for the Second Coming of Jesus Christ.

We pray that the printed Word will become written in your heart as you prayerfully read this message.

While every effort has been made to provide an accurate unabridged transcription, the English audio files are the best representation of the sermons spoken by Bro Branham.

To Whom Is The Arm Of The Lord Revealed

¹ So happy to be here. Sorry it is the last night of this...no it is not the last night, we got Sunday yet haven't we? That's right, Sunday afternoon and Sunday night, that is very fine. So I am happy that we have that. Say what...it gets better and tomorrow night also. Friday night, Saturday night, and the rest of them and Sunday night, Sunday afternoon and Sunday night. It seems they like to announce that going into services...?...

² That is very fine. And now, we are going to expect a great time. Now I like to leave about three thirty, four, five in the morning and drive three hundred miles to be here for services tomorrow night and then come back the next day and be back here for Sunday the following day and then...it is just right one after the other. But it is a glorious thing to be serving Jesus Christ the Son of God.

³ I am truly happy to be here and I believe tonight that if this would be our last night on the earth to be here, rather, why we still have the testimony of the Lord Jesus don't we? Sure, we believe it with all of our hearts.

⁴ Now we are going to ask this question just now. How many have been healed in the last...let us see your hands. That is very fine. Just a while ago I...there is one thing a believing people...just about the time you get acquainted with people you have to say good bye. But it is not good bye, no, it is just for a little while and you have been so nice to me. Everything is...why I...I am really sorry there is a certain close.

⁵ Now I said to my little girl today...she is doing...oh she just wants to go home right away after. There is no little children to play with and I said, "Honey, do you want to go home?" She said, "No daddy, I like it up here." You are just fine, everybody babying her and everything, and she is really glad to stay. And one church, Brother Redegar, one of the gallant heroes of faith in days gone by. His daughter had been healed, a psychopathic state. God had made her well. She will be married this month, and a very lovely girl. Sister Bosworth...Fred Bosworth, many sitting here is acquainted with him. Sure. Sure, fine brother and that he is one of our...?....

⁶ And he was with me then as a manager and I remember when I met him in Miami, Florida. He was just done give up on all divine healing, laid back. Said he guessed he was done seventy some years old. So when he went to come over to the services to see, well the old fellow got just a boy again. And I said to him, "How old are you Brother Bosworth?"

⁷ One night standing down by the hotel in Miami, he just walked out looking out over the beaches in the winter time just as straight you know,

and he went walking away just with the spring of a young man you know and here I was about one third his age and dragging along. He looked down at me and I said, "Brother Bosworth, when were you your best?"

⁸ He said, "Right now." He said, "Brother Branham, I am just a kid living in an old house." That is Brother Bosworth you know. He is a great joker.

⁹ And he and his...Fred, Brother...?....also. At a meeting and Mrs. Bosworth, his wife, was selling books at a bookstand at the entrance to the tabernacle when there was a young lady named...?....cross-eyed. And she said, "I tried to get a prayer card."

¹⁰ And all she had done to try to get in line but it was...it was no use. She was failing. I believe that was the last night. The night the man was healed from multiple sclerosis, that sent the word to King George of England which I have his statement. God had healed him. And the man had been a bed patient ten years of multiple sclerosis. He is perfectly well tonight. Just glorifying God.

¹¹ The little girl was crying, a young lady, and Mrs. Bosworth said, "Honey, you don't understand that is right." Some words as that. "Now you don't need a prayer card." She said, "You just walk right out here and stand and say I..." She said, "You just believe with all your heart that God is going to make you whole and God will speak to Brother Branham up on the platform."

¹² And I was having a prayer line, coming down the prayer line, and the girl so discouraged like, you know, and that...she walked out, last night...?....she walked out there and just got a hold of God. And all of a sudden I feel something come on me and it pulled me around. She was standing way farther than the distance in this building here. I said, "Alright sister, God has healed you of those cross-eyes." Both eyes come straight. The girl is here in the building somewhere. I wish she would just come forward if you are hearing my voice sister. Somewhere...here she is right here. Let us say, "Praise the Lord." Everybody. [Audience says, "Praise the Lord."-Ed.] [The sister gives her testimony-Ed.]

¹³ And how great her eyes is now. Let us say, "Praise the Lord, everybody." [Audience says, "Praise the Lord."-Ed.] Praise lasts just as long as faith lasts. That is it. When you get weak in faith it will come right back again. Whenever you get weak in faith your sins will return right to you again, the same old desires only worse. Is that right? So go and believe.

¹⁴ The little lady was standing way away from me and her faith. See? Her faith touched God. God said the only thing you have to do is speak

⁸⁹ All right, now he is going to line the cards, and I want you...Look, would you still do something else for me? When the first hand touches you, raise your hands and say, "Thank you Jesus." Right out through the building praising...?....Thank you Jesus, thank you. Have nothing else but praises of God constantly rolling through your heart, all the time. Yes sir. Now, here I turn the service now to Brother...while I go down here in the line and start...[A brother steps to the microphone to organize the prayer line and the congregation starts to sing, *Only Believe*-Ed.]

⁹⁰ I can say from my heart that so many people were healed. It is the greatest fast line that I ever seen pass through in my life. And I can say that at least eighty or ninety percent of the people that passed through the line are healed right now. I checked the back of their hands. I tried to reach with my hand to feel, to catch vibrations and they would be clear as they could be as they passed by. Practically everyone that was passed through the line is already healed. God, Who is my Judge, Who I stand before, knows that I tell that which is true.

⁹¹ I see a blind man, been in need for a long time, walking around here now looks like he is seeing. Standing right here in front of us. So let us say thank the Lord for that. Now, I think what they ought to do is all the brothers, let us line up and everyone put your hands on the people on the wheel cots and let me come down where you are at. All ministers get around and everybody in prayer now for these people.

⁹² Now you that is on the wheelchairs and the cots, when the prayer is asked over you, believe with all your heart. God bless you.

⁹³ Look friends, from the depths of my heart I love you with Christian...warmest of Christian love. Wonderful. Now you get around. Let all people bow their heads while we pray. [End of tape-Ed.]

⁸³ Just like any other order of the church, the Lord's supper. This is a sacred order of the church, that these signs shall follow them that believe, if they lay their hands on the sick they shall recover. Now that wasn't me that said that, that was Jesus Christ who said that. Now the first thing you must do is surrender yourself entirely to Christ. And surrender your mind to His Word. "Lord, I won't act upon my own feelings, upon my own thoughts. I will only act upon Your Word. I will have no control of my own thoughts concerning it. I will act upon Your Word."

⁸⁴ Now get that straight. Now you are not to go down. Say, "Well, I lost my healing." If you do brother it will be worse than ever, if you make this committal. You are just standing right now...remember just like coming into the church, you are supposed to make this committal and say, "Lord God of heaven, I will stand by Your Word, so help me, till the last drop of blood has left my body." Your breath. See?

⁸⁵ Do you believe when your baby passes through the line it is going to be healed sister? You do that? Frankly it is already healed, but I want you to pass through the line anyhow. It was healed a while ago. All right, but just...I want you to come through. So you follow the Reverend.

⁸⁶ Now all of you that wants to make this committal, put your hand on your heart, like this. Those who are standing here and those who can not, lay your hands on them. Now raise up your hands. Now you now commit yourself to God, that from this time hence you believe that you are healed by the power of Almighty God. Will you do that?

⁸⁷ Almighty God, I now commit this to you, as your humble servant. In the Name of Jesus Christ...?....Son of the living God, who suffered, bled and died under the...for the redemption of our sins and healing of our bodies. "Who has believed our report? To whom is the arm of the Lord revealed?" Here it is tonight. They believe the report, the arm of the Lord is revealed. We believe on the Lord Jesus Christ, and now rebuke every spirit of the devil that would bind these people. In the Name of Jesus Christ the Son of the living God, may it leave them.

⁸⁸ Lord God, as they pass through this line, and we lay hands upon them, may the same meeting be tonight like was in the streets of Jerusalem, when the shadow of Peter passed over the people. We Gentiles believe the gift, we believe God, we believe Christ just as they did then and we are just as thankful. And Lord God, may Your power sweep over this audience and heal every person in the building. And as they go through this line may they rise shouting and praising God, for His glory. In the Name of His Son Jesus Christ, we ask it. Amen.

to her now and as soon as the word was made there come her eyes straight. She is well. Now thousands of those cases, I believe we had four hundred and sixty some odd cross-eyed cases. Cases of divine healing that brought back, which is perfectly straight and normal and it taken less than a year, the services we had in town.

¹⁵ Mr. Ford, get up here. He brought by the people that was healed. We are so thankful for that. And for all...I see a little baby sitting here now. Its little feet flat...?....little baby. She remembers in Fort Wayne that night a little baby was there. His little feet was so clubbed off, my, it was horrible. They had it in braces. The doctors said it would always be that way. When it passed through the line I said, "Sister, now you go take those things off." Here come the baby walking back, just as normal as it could be, sit her up on the platform. And there's these little feet just as straight, it went right on. It is marvelous what the Lord Jesus can do for us if we will just only have faith and believe it. That is all. Just believe.

¹⁶ Now, I wish to read just a little bit of the word. Again I...before leaving, just for part of the service...at this end...the old tent has been a blessing to us and I am very thankful for it and I pray that God will let it stand many, many great storms, weathered or long and may many souls be saved under it, and the fines and things that goes from this meeting to pay for this tent. The people put in...?....very thankful for it. Though it is only for Gospel use. It is owned by the Voice of Healing, Shreveport, Louisiana. It will not be used for circuses and things like that. It will be used for the Gospel. And the man who used it, they rent it. We rent it, pay the rent, and the rent pays for the tent back. When that sum is past and all that is taken care of, we will add more sections to it. Just keep on like that and then the money that would come in from rent there will just keep on going into different things and just moving it right along.

¹⁷ Always the non-profit, organizations. They ran this to the editor, Brother Borders, the floor editor and Sister Ann and the Chief Warden was...a certain lady had it. It was just a little paper. It said it had all these...if any group that is having divine healing services in these last days.

¹⁸ Alright it is Isaiah 53, one of my favorite scriptures. Just held that back to read it tonight. It is so appropriate right now.

Who hath believed our report? and to whom is the arm of the Lord revealed?

For he shall grow up before him as a tender plant, and as a root out of dry ground: he hath no form nor comeliness that you should see him.

We shall see him. There is no beauty that we should desire him.

He is despised and rejected of men. A man of sorrow acquainted with grief and we hid as were our faces from him.

He was despised and we esteemed him not. Surely he has borne our grief and carried our sorrows yet we did esteem him stricken of God and afflicted.

But he was wounded for our transgressions. He was bruised for our iniquities. The chastisement of our peace was upon him and with his stripes we are healed.

All we like sheep have gone astray. We have turned every one to his own way and the Lord has laid on him the iniquity of us all.

Shall we pray?

¹⁹ Our heavenly Father, just reading the Word now. May the Holy Spirit take the Word now and go right into the hearts of the people and may they come to a full realization on this night here under the tent that it is Jesus that we speak of, "He was wounded for our transgressions. He was bruised for our iniquities. The chastisement of our peace was upon Him and with His stripes we are healed."

²⁰ Oh how we love Thee with all of our hearts. With gratefulness we come to bow our heads to the dust of the earth from which we were taken and some day shall return, if the Lord should tarry. And I ask you Father to bless us tonight and will move upon us in a great and marvelous way and may many great healings be done tonight because of His presence. May those dear people here reach right out and take a hold of it. Grant it Lord. And there hold to the Rock of Ages until the power of the Lord sweeps them through the gate out into the freedom, out of the clutches of the enemy till they are free from sin and sickness. Grant it Father and hear the prayer of Your servant as we pray in Jesus Name. Amen.

²¹ This...tonight we won't take much time to say any words only I want to thank all that has had a part in this service. I want to thank the cooperating ministers. God bless them.

²² These strangers here ought to attend their church, give them a visit, call them. And I am sure that they are a good God-saved man, sent from God. Never have I had a place that ministers been any more in harmony and love than this group of ministers. And the audience has been wonderful. Just...I've never had caught one person down only to keep their head bowed. How marvelous. People in meetings...sometimes God has to send them, afflict half a dozen or more to make them come to their

that believe. If they lay their hands on the sick, they shall recover." Is that right?

⁷⁷ Where is my minister, Brother Zephaniah? Come here. You are going to see the glory of God tonight. I don't care...won't you come right down here. I want to get right down there with the people, myself. Oh, all these people...some of them sitting here, some of these poor people have not even got a prayer card.

⁷⁸ Everyone just be reverent, just a moment. Stand there, I am going to come right down with you. Just make a double line. Of a...just the ministers now, not the rest of us, just the ministers. We are going to have to make a line so they come around this way. Just in a moment, my brother will start calling numbers. Get all the prayer cards first and then we will start from the prayer cards, then get the rest of them who have not got a prayer card. All you now, every person just be reverent. Everyone just stand just as reverent as you can.

⁷⁹ Now let us see how many prayer cards we got in the building, let us see your hands. There is probably a good hundred, hundred-fifty prayer cards. Now first we are going to have the prayer cards to find a number and we will have a place from the stop, just in a moment. Then I want Howard or somebody to stand here and I think maybe some minister to stand here at this platform. And as soon as the prayer cards are through, then just keep having the whole group line up and come through, and be prayed for coming through. Each one to be prayed for and have a hand.

⁸⁰ Now you must know now. Are you sure that you believe? Are you sure? Are you convinced that the Spirit that is moving here in the church is the Lord Jesus Christ? Are you convinced? Do you believe in the Divine Gift that God has given? Do you believe it comes from God? You do? Then if I have told you the truth, for seventeen great nights, then I am telling you the truth now. Am I?

⁸¹ I will say this, if each person in here now will make a committal, right now to God, make your committal to God. And the only thing you have to have to fulfill the Word. Now the Bible says, "These signs shall follow them that believe." Is that right? If they...now that is the last words that Jesus give the Church. If they lay their hands on the sick, what will happen? They shall recover. Now if symptoms should arise, what would you say? It is written. Is that right?

⁸² Are you ready, with your faith? To say, "I am now ready to commit myself to God in this manner." If you do raise your hand. Now me...you are now committing yourself to Him. You go through the order, just like water baptism.

hay fever too. God bless you, is that right? Stand up, I seen you. Oh, there you are, you are free from it.

⁷¹ You sister with a cancer case, stand up, Jesus Christ heals you. My, my, you could stand up all over the building and be healed if you would just believe it right now. He is here with mighty power. Oh Jesus, Son of God, Author of life, Giver of every good gift, send Thy blessings upon the people. May signs and wonders be wrought tonight. In the name of the Lord Jesus grant it, Father. Hallelujah.

⁷² My, look I wonder how many of you would believe this right now. If we would get right down here and just let the people pass through in front of them. Lay hands on them to bless them, that they would be healed. How many believe that? Raise your hands. Has it been confirmed to you? Do you believe?

⁷³ I know it is the last night. Right after this, if these things didn't happen the way that I said the first night, call me a false prophet. How many was here the first night, heard me say that? Raise your hands. I said if it did happen then believe God, is that right? Well did they happen? Is it the truth? [Congregation agrees with Brother Branham—Ed.] All right, now look, Jesus Christ said this, "These signs shall follow them that believe." Follow who? Them that believe. "If they lay their hands on the sick," not pray for them. "If they lay their hands on the sick they shall recover." Is that the last words He said? The last promise He give the church, before He ascended into heaven. Is that right? He said if you find believers and they lay their hands on the sick, they shall recover.

⁷⁴ Now I want to ask you, have you faith enough tonight that we just...I get right down here in this aisle, stand right down here, just stand there and pray and everybody come by lay hands upon that person and let them...and if you got faith to say you go ahead and be healed, go out of here rejoicing and praising God.

⁷⁵ I will do it if God...if somebody has to hold me up to do it. If you want me to do that I am...I am here to serve you in any capacity you want me to. We...how many would rather have that then we just go ahead with the regular line? Raise your hand. All over the building now I want to see.

⁷⁶ All right, (look Howard)...contrary now, who would rather go ahead with the regular line and call out so many, just put your hand. All right. We are going to line up and pray for all the people then. Amen. Just a moment. I just ask you something else. Oh my, you believe with all your heart now? Now look the Scripture said, "These signs shall follow them

repentance. Now that is...this here...the people is just reverent. Believe with one heart, in one accord. That is the way to do it. And now that is wonderful.

²³ And all of our expenses have been met. We are just thankful to you and they gave me a love offering, which I appreciate from the depths of my heart...do anything...though someone wrote me a little letter awhile ago and, my, they did not tear me up about Sunday afternoon meeting. Oh my. Some lady, she said, "I come to see miracles, not to hear about what something happened in somebody's life."

²⁴ With that attitude sister you will never see it until one has been performed on you and that is when you get converted. That is right. 'Cause your heart is not right with God. It is something like that. The attitude towards you proves that...the proof...taste of the pudding is the proof there of.

²⁵ So notice, by their fruits you shall know them. Now, and now we have had glorious success for Jesus Christ. Do you know Jesus has done more here than He could do in His own city. Hasn't he? For there is no mighty works that Jesus could do in His own city. And in this city He has done mighty works, hasn't He? So He has had more success in this city than He did in His own city.

²⁶ Think of that. Jesus Christ after 1900 years has had more success in Cleveland, Ohio in six weeks meeting here or three weeks meetings than He did in His life journey in His own city. Think of that.

²⁷ Goes to show that the glorious old gospel still has the same power it had in the beginning. That's right. Where men and women will believe on Him.

²⁸ Now we're thankful for that and pray that God will bless all of you and I hope to see you Sunday afternoon...and Sunday afternoon is preaching service if the Lord doesn't change my mind I want to speak on the subject, *The Return of the Prodigal Son*, on Sunday afternoon. And come out at the arena and then we...Sunday night...I trust that we will have the greatest healing services we've ever had. Just trust that the place will just be illuminated with the power of God. Maybe I'll be a little rested after two nights of rest now. Friday and Saturday night...be more able to go into the service.

²⁹ This way I become dense, dull by the time I...when I get tired and worn, the senses of this gift become more or less dull. I think the fellow on anything, in natural work, after he goes so long he becomes kind of dull, sense down a bit...and that's the way this is too. And I trust that God will give us a great, fresh start again Sunday night.

³⁰ Come out believing. Come out praying. Thank all the ushers and the officers and everything that's cooperating. Though they give me...?...a few minutes overtime. Not...I was in the parking lot...now I'm supposed to leave here at four o'clock.

³¹ I was out running around here and there and the Lord called me on two visions today to go out...?...today. I was sitting in the room. The Lord came down and He said, "Go down to this corner and turn to the left, and down here and stand there and it will be a woman come along with a gray suit on, a little white hat." Said, "She has cancer. She'll be healed."

³² There she was coming down the street. She said, "Aren't you Reverend Branham? From that tent?"

Then I said, "Yes."

³³ She said, "Oh I tried to come but my husband won't let me come to..."

³⁴ I said, "The Lord just healed you of your cancer sister, pass on in peace." Oh my, she went down the street weeping like that. See? God knows all about those things and...so it is marvelous!

³⁵ Believe I seen a backslider brother come to the Lord this afternoon too. Come back to the house of the Lord into the fellowship of his dear son Jesus.

³⁶ Now friends I...?...and I was just looking at two sweet little girls sitting here...?...two of the little girls just sitting here, and their little blonde hair. I remember one of the most pathetic sights I ever seen in my life was in Mexico, where we were going to try to make those trips this winter if possible. I remember we went across the border at Juarez.

³⁷ The first time I was ever in Mexico, and when Brother Moore and I, we crossed the border and went in there. Walked down the street, and oh my, people on the streets, TB and everything. I'd reach down and try to give them money, and take hold of their hand, my how their tubercular would be sticking out, and I try to tell them I could not understand their language but they could not understand mine. They would pull back; they were afraid. I went on down and preached, and went around about to come to church. Oh, it is very poor. Seen a little fellow there stacking up old rotten tomatoes on a little mule...the first time...I tell you it would make you feel like you were no good.

³⁸ I noticed another sight. There was a little fellow there, he did not have on no clothes, but just a coat and he had a little old bill hat and it was all full of paper, all torn up. And he would reach down in an old garbage can and he was pulling out something, you know, and scrape the

recognized. He told Ananias and Saphira their sin. He knew what God put in his heart to do, and then, in that, after them recognizing that, the prayer line got so great until Peter couldn't pray for them and they laid the people in the streets. And even that old fisherman, not some big D.D., but an old fisherman, that his shadow would pass over them, and everyone that his shadow passed over was healed. There you are. There is no Scripture for that. There wasn't any then, but God healed them because they respected the Gospel of Jesus Christ. And He will do the same thing today.

⁶⁶ It wasn't Peter, it was they respected God who he represented. Is that right? That is Who it was, and his shadow passed over them, and they were healed because they believed it. We are back in the same days again. God moving among His people, great signs and wonders.

⁶⁷ Now you don't have to lay in the shadow, but you are under this tent tonight, around it, where the Holy Spirit is here, let it pass over you. Then rise up, say, "Yes I believe it, right now I accept it." Be healed. Amen. You believe that sister? You do? That tumor has been bothering you a lot, hasn't it? Yes, hasn't that tumor been bothering you? All right. It is dead now, sister. God healed you because you believed.

⁶⁸ Have faith in God. Amen. Oh my. How marvelous! He sure can heal all things. Just have faith. God will grant it to you. My how that is coming in now. Oh people, wish you could just only...it is...Look, I'll tell you what, if you have been just a little afraid, take my word tonight, will you? Take my word and actually do what I tell you. And I will be responsible for you at the day of the judgment. See? That is right. If you will believe on Jesus Christ with all your hearts and believe that He heals you now and accept Him that way. That is all you have to do. Go forth testifying, tell them you are healed and go right on and God will send a deliverance. That is true. Praise the Lord. Been looking back in the crowd, and there seen where It is coming way back, from farther back then I could ever come from, that is exactly right.

⁶⁹ Somebody right in this channel right here was healed with a cancer, just a few moments ago. I am not sure, I think the lady there with the white hat on right there. Right over there. I am sure. She is right on in that section. Lady, did you have cancer? Sitting right there, the woman has got her hand up, was that a cancer case? Did you have cancer? All right, it is gone from you sister. Do you hear? It is left and God bless you. Amen.

⁷⁰ All right, let us say praise the Lord. [Congregation says, "Praise the Lord."—Ed.] My, another cancer case right here. Ought to accept it, with

healed. See?

⁶⁰ The brass serpent didn't pray for no one, did it? The pool of Bethesda...the angel didn't pray for no one. It is a troubled water, is that right? They just looked and lived, for the brass serpent. And in the days on the apostles, they laid in the shadow of Peter and was healed. Now if you don't believe that this is Bible times again, just a repeat. This last days, God calling out a people of the Gentiles.

⁶¹ He is calling on the Jew...Gentile church, the same thing, a contract. In the old days when the contract was made, you know what they did?

⁶² Notice, God just telling me to say this, I don't know. A person would go and write a contract on a piece of paper. They would write the contract and then on the contract they would write what it was they were going to do, then they would tear the paper in two, and they would kill a beast, and over this beast they tore the contract. They would give one person one part and one part...person the other. And when they come together...and this agreement was brought together, that had to be exactly the same piece of paper, cut to the letters and it had to dove tail just exactly with that, or the contract was no good. See? The agreement was no good. The same piece of paper that was tore away had to come right back and dove tail into the other like that, to make it perfect. And then as their pledge, they killed a beast when they made their pledge.

⁶³ Now God made a contract with the peoples of this world. Therefore He sent the Son of God and killed Him on Calvary. You believe that? "All we like sheep have gone astray, God laid upon Him the iniquity of all. He was wounded for our transgressions, bruised for our iniquities, the chastisement of our peace upon Him, with His stripes we are healed." That was God's contract to the church. Is that right?

⁶⁴ Then God killed the Lamb at Calvary. Do you believe it? And from Him, He tore Him apart. He took part of it, the body, up into glory, set it on the right hand of the Majesty. Do you believe it? And the Holy Spirit He sent back to the people, is that right? Then when it comes together, when this contract is come together at the day of the judgment, the same Holy Spirit that fell on the day of Pentecost is moving around a bunch of people. It will go right back to that same body to dove tail right in to that same body. It is a contract, so therefore the same Spirit that was in that day is here today. The same signs, wonders, miracles are being performed.

⁶⁵ The same people are believing in the same manner. When they seen the apostle Peter and recognized him to have the gift of God in him. When he called out and told the people what they did, and they

water off and rake the things off his hands, then he would look at it. Them, all of them partly blind, looked at it like that, and he would lay it in a little bitty old bucket of a thing.

³⁹ There is his grandmother standing there, barefooted and her feet like a bear on the bottom, just as calloused as they could be. Had an old dirty shawl on, standing there, she's just holding her hands. He reached down, felt again. I said, "I am going over to look at that."

⁴⁰ They said, "Oh, you ought not to go there." Said they...I went over there. What it was, this little Mexican boy was getting little bitty bits of potatoes, about like that, out of a bottom of a slop. And...when Mexico throws anything away it is really bad. But he had about a half a dozen. Then he was just laughing and they were laughing, they were looking at their potatoes.

⁴¹ I thought, my, and I just left over there and my brethren had paid about at least 75 cents to a dollar for my breakfast when we crossed the border. I looked at that poor little fellow. I...it looked like your heart would just swell out of you. Now he might be a little Mexican but he gets just as hungry as a little American. When he is hungry, he is just as hungry. Yes sir. Jesus died for him just the same as He died for all of us. I looked at him and I thought, poor little thing. What if that was my little Billy Paul?

⁴² Looked at him, and I walked up to where he was and the grandmother seen me coming then. Now perhaps it was his grandmother. And she runs back and I touched the little fellow like that. And my, he jumped out into the street, thought someone was going to hit him or something for taking those potatoes. He looked, his little eyes just had tears in them, shaking like that, looking at me. I...that little fellow...and so I was pointing up towards heaven, holding my hands over my heart, trying to let him know that I was a minister. I kept pointing up like that, he...?...all around to see what was going on up there. And I knelt down, I knew he was Catholic so...all of them there is Catholic. I said so...I been making crosses on my heart and hold up my...

⁴³ And all of you...?...make a love offering....?...I walked up. I reached down in my pocket, I had about, oh, five or six dollars. I had some quarters and things I had in my pockets. And I had him hold his little hands out. And I told him to hold his hands like this, and he looked at me you know and I finally got him to hold his little hands. I dumped all that in his little hands. And he looked at it like this, got down and looked at it close, stood there a little bit, put it down in his little pocket and looked up to me like that. Took off his little hat, knelt down on his

knees, took a hold of my pants. Oh my. Said, "God bless you, honey. I will visit you again one of these days, if I can."

⁴⁴ That is right, we have a lot of things we can do with money if we Americans would just do it. You know that, that is right. There is where it is really needing it, where there is suffering and need. Poor little fellow.

⁴⁵ Brother Gordon and I, Lord willing around Christmas, we will take a trip down through there to see those little fellows. God is merciful to us isn't He.

⁴⁶ We American people do not know how well off we are. That is right. And, oh, that the need of this world. How very needy. Yes, we still have plenty...?...no feeling except...

⁴⁷ "I was hungry, you didn't feed me. I was naked, you didn't clothe me. I was in prison, you wouldn't visit me."

"When were you, Lord?"

⁴⁸ "In so much as you have done unto the least of these, my little ones, you have done it unto me."

⁴⁹ All right now, we are going to start the prayer line because I want to pray just as much as possible tonight for the sick. Starting about thirty-five minutes early tonight. For I want to pray just as long as I can. I want to go because I got to get to bed real early in order to drive in the morning, get back home for our services tomorrow night. So let us bow our heads again if you will. Friends you may laugh too much, you may talk too much, you may walk too much but you will never pray too much, "I would that men pray everywhere lifting up holy hands tonight."

⁵⁰ Our heavenly Father, we have come now to the end of seventeen nights of service. One of the longest services You have ever permitted your servant to have.

⁵¹ Now tomorrow night is another one here with Brother Lindsay and Brother Hall. Father, we pray that You will meet with them here. Bless those two dear Christian brothers. May the power of the Holy Spirit be here to deliver the sick and the afflicted, those who may not be here tonight.

⁵² We ask You tonight to clear the whole building, Father, of every sick person. May there be a great pouring out of the Spirit. May hundreds, all that is in need tonight, may they be delivered here at the platform tonight, Lord, and out in the audience hundreds of people. As our little sister testified, standing plumb back, way in the back of the building. God come down upon her, with both eyes being crossed since a baby,

moved those eyes out straight, the power of the Holy Spirit taken away. God, without wavering faith, she moved forward and her young heart blessed. Going everywhere now, come all the way up here, just to get to say, "Jesus heals." He is the same yesterday, today and forever. Think of the little girl there, cross eyed, blind, stomach trouble, was healed and You permitted to go in the great book of who is who.

⁵³ Our God, we thank thee for Thy mercies and kindness. Be with us tonight now, won't You Father? Pour out Your Spirit upon us and give a great deliverance tonight. For we ask it in the Name of Jesus. Amen.

⁵⁴ Now, everybody tonight I wish we would just try to settle down to this one thing, that God is here. I wonder if you will make me this promise, before we start praying for the sick. Can you make me this promise and say, "If God touches me in the least tonight, I am going to rise and claim my healing. For the first time that faith anchors in my heart, Lord here I come."

⁵⁵ Remember the leper sat at the gate and said, "Why do we sit here till we die? Let us do something about it." And now you do the same tonight. Let us do something about it, His Presence is here.

⁵⁶ A little deaf baby was sitting there last night and that mother, oh how she was looking, how she was trying. I could feel the pull, pull, then it got everybody in there together, pulling. And I noticed several of them stop, I turned around. I said, "Somebody in there, there is several of them healed. I can't tell just who they were."

⁵⁷ The mother turned around, spoke to the baby. Brought the card up with tears rolling down her cheeks. She said "My baby's hearing." See? That is it. That is it. Just go believing with all your heart. It will be so. It is your faith that makes you whole, isn't that right? Your faith, no other way can you be healed, only through faith. Now God bless you...?...

⁵⁸ All right. Now we want to try to get as many through as possible...?...I will put it on his hands until tonight. You pray that God will help him to make the choice. All right, now, how many cards? You got a hundred out? I believe maybe after we get the line a going a little while, maybe we won't have to linger so long with one, and just let them come right on through, and the whole group be healed. Wouldn't that be marvelous?

⁵⁹ You see, we use to have the...how many was ever in one of the fast lines? When we used to have fast lines. We would pass them through there and testimonies would just pour in. The only thing they want to do is just get near you. Just to get there when the anointing was on them. Then they call the blessing and went away rejoicing and they were
